2. : Dantewada

(i). Area of forest land proposed to be diverted (in ha.) : 59.763

b). No. of Segments: One

i) Upload .kml file which should show land details and polyline shape (if RF / PF / Revenue Forest Land (Compartment no./ Khasara No.)

- .Kml file for Bastar division showing in poly line shape, DGPS coordinates, Forest Block, areas for diversion block wise are uploaded. The compartment no.s and khasra number and DGPS coordinates are uploaded as pdf document in the additional documents

ii) Both .kml files show same poly line

- Division wise .kml files uploaded separately for Dantewada and Bastar.

iii) Incomplete DGPS Survey report is not in prescribed format. Also not enclosed with Authorized seal and signature in additional information

- Duly authenticated DGPS survey report uploaded in additional documents.

Note: **When submitting the proposal, care is taken to give scientific names of the trees at all places.**

- Tree enumeration survey would be taken up separately in the later stage along with naming of scientific names of the trees.

Will there be any use of Forest land other than this while approaching the site and if so the same be added in the land diversion proposal. No passage will be allowed from the forest land.

- There will be no use of forest land other than this while approaching the site as the pipe line work will be taken up by entering the corridor by existing roads.
