NOTES :

The state boundary between Jharkhand and West Bengal States has been surveyed as pointed out by the local officials on the ground, but has not been verified by the Governments concerned.
The common boundaries of the Reserved and Protected Forests in this sheet have not been shown for want of reliable information.
Classification of roads, e.g., NH / P X have not been entered at some places in this sheet for want of information.
Contours are approximate.
Heights are in metres and above mean sea level.
The Range/Bank heights and revisions in this sheet have not been made due to the heights of the scattered bench marks and may not be strictly in accordance with them.
A relative height, R, represents the approximate height, in metres, between the top and bottom of a steep slope.
