**Sub: Observations by Forest Department proposal no. FP/CG/Others/7694/2014**

Q. In Dantewada, CH 25340 to CH 27000 and CH 31180 to CH 39580 points no roads exists so area for approach road and working has to be taken, so rework the area as per actual requirement and that has to be diverted.

*As per point 2F of justification the forest area for approach road to be added in the proposal.*

Ans. The detail where the pipeline is deviating from the road is given in 2F. During laying of the pipeline in these forest areas, we do not require any approach roads. We will enter the forest area thorough the Right of Way acquired in Revenue land adjacent to the forest block in the above segments.
