GOVERNMENT OF NAGALAND
OFFICE OF THE PRINCIPAL CHIEF CONSERVATOR OF FORESTS
AND HEAD OF FOREST FORCE, NAGALAND KOHIMA

No. FG-3/30/81 (Pt. 1) / 7420

Dated March 16, 2022

To,

✓ The Commissioner & Secretary
Environment, Forests and Climate Change Department
Nagaland Kohima.

Sub:- PROPOSAL FOR DIVERSION OF 0.45 HA FOR 2 LANING OF PEREN-JALUKIE SECTION ON NH- 129A AS ENGINEERING, PROCUREMENT AND CONSTRUCTION MODE IN THE STATE OF NAGALAND.

Ref: FOR/GEN-31/01/2022 Dated 21st February 2022.

Madam,

In inviting a reference to the subject and letter No. cited above, I am directed to furnish herewith the information/documents as desired by IRO Guwahati, Ministry of EF & CC for your kind information and necessary action.

Sl No.	Additional Information required	Action to be taken
1	To clarify whether this proposal is for new construction of road or else, provide a brief note on the existing stretch of the road to be improved/widened whether the forest clearance of such road has been granted earlier or not.	The proposed 2 laning of Peren-Jalukie section of NH-129A is for the purposed of widening of existing road only. This road is the only lifeline of Peren linking Kohima the state capital and Dimapur the commercial hub. This existing road was constructed in private land and was in used for many years before the Forest Department purchased the land on which this NH-129A passed through. As such granting of forest clearance for construction of the existing road earlier does not arise
2	To clarify the legal status of the proposed area as the DFO in his inspection report has mentioned that the proposed alignment of NH-129A is passing through the purchased land	The Forest department purchased the land on which NH-129A passes through for Forest Range Office and staff colony from private land owner in the year 1988. As the land was purchased by the Forest

Recd. No. 285 Dt. 21-3-22

Principal Chief Conservator of Forests

	of Forest Department under Peren Forest Division for a stretch of about 450 meters along the existing Peren-Jalukie road.	Department the legal status of the proposed area is now government land.
3	The Sol Map indicating the proposed area is to be resubmitted as the proposed area is falling outside the submitted Sol map.	<ul style="list-style-type: none"> The total project road stretch is falling in 2(two) numbers of Sol Map G46P14 and G46P10 respectively. However, the proposal for diversion of forest area (0.45 Ha) is falling in Sol G46P10. Both maps were enclosed earlier in the proposal. <p>The combined topo-sheet merging the total complete alignment is attached herewith as Annexure-I.</p>
4	State Govt. is to clarify the actual CA area proposed as the CA area is proposed in 0.45 ha in Forest Colony in Peren Range, in purchased land whereas the submitted Sol map indicating the proposed CA area is for 0.9 ha and the financial outlay submitted is for 0.9 ha i.e Rs. 1.575 lacs.	The proposed CA area is mentioned as 0.45 ha, however as per para 2.5 of the F[C]Act, 1980 guidelines, the CA is proposed in area double in the degraded forest land that has come to 0.90 ha. Rectified Map attached as Annexure - II
5	The CA scheme and avenue plantation scheme is to be technically approved and duly signed by the competent authority.	Attached as Annexure - III
6	The component wise break up of the proposed road	Attached as Annexure - IV
7	The current status of FRA 2006 certificate of this instant proposal.	Attached as Annexure - V
8	To clarify whether the proposed muck dumping area is the part of the proposed area or not.	The proposed muck dumping area is not the part of the proposed area. It is located at another non forest land at Ch.113.600. Refer Annexure- VII
9	The total length of the proposed road along with existing RoW and proposed RoW	Attached as Annexure - VI
10	The approved muck dumping plan by the concerned DFO	Muck dumping as submitted earlier is attached herewith as Annexure-VII
11	The aerial distance of the proposed area from the nearest protected area/Wildlife Sanctuary/National Park	The forest area (0.45 Ha) proposed to be diverted is 17.5 Km from the nearest National Park Intanki National Park. The map showing the distance between proposed land to be diverted and Intanki

		National Park is attached herewith as Annexure-VIII.
12	Undertaking certificate by the user agency for payment for extraction charges of the trees to be removed from the propose area.	Attached as Annexure - IX

Encl: As stated above

Yours faithfully

she
