I am to forward here with the site inspection report of above subject proposal submitted by Shri.L.Chandrasekar, DIGF (C), RO(SEZ), Chennai. This project is an expansion project of an existing Srirampur Open Cast-II in Jaipur Mandal, Srirampur area in Mancherial District of Telangana. As observed by the DIGF(C), the project is recommended subject to following conditions:

i) M/s Singareni Collieries Company Limited (SCCL), is a Government company jointly owned by Government of Telangana and Government of India and is largely seen as a responsible company towards compliance to various laws of Forestry and environment. Though, the compliance towards conditions imposed in forestry diversions is more or less satisfactory but off late it is seen that the company is violating the provisions of environment clearances. The violation pertains to increase in production more than the stipulated in environment clearance granted to various projects. The matter was brought to their notice and as well as Ministry from time to time. In fact during the appraisal of one project of diversion of 285.44 ha of forest land in Lankapalli RF of Khamman Division the Ministry has sought for over all compliance of the SCCL and nominated a committee comprising of ADGF(C), RO(SEZ), Chennai and Shri. Sandeep Sharma, AIG of the Ministry and the report was also submitted to the Ministry at that time.

ii) As the Hon'ble Supreme Court has viewed the violations very seriously in WP

(Civil) No. 114/2014 in the matter of Common Cause Versus Union of India and others, it is

seen that the project authorities in its 4 existing projects appears to have submitted one undertakings saying that they will not repeat any such violations in future.

But nevertheless, it is advisable to obtain the views of the State Government of Telangana in the matter along with the commitment from there management for not repeating such violations in future before processing this proposal further.

Submitted for favour of further necessary action please.

Yours faithfully,

(Dr.M.R.G. Reddy)
