19 Jul 2019

To
The Divisional Forest Officer,
Baripada Forest Division,
Baripada

Sub: Diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation of Jharpokharia-Baripada-Balasore Section of NH-5 (from 0.000 km. to 80.600 km.) in Mayurbhanj and Balasore district within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV B on EPC Mode by Forest Diversion Proposal - Stage-1 approval - reg.

Sir,

In inviting a kind reference to the letter cited above, please refer to the letter No. 5-ORC344/2018-BHU dated 27 April 2018 of Conservator of Forest (Central), Ministry of Environment, Forest & Climate Change wherein "in-principle" approval for diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation of Jharpokharia-Baripada-Balasore Section of NH-5 (from 0.000 km. to 80.600 km.) in Mayurbhanj and Balasore district within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV B on EPC Mode has been conveyed subject to the fulfillment of the certain conditions and requested to submit the required demand as per above. Requisite demands have already been deposited.

Further, it is worth mentioning that DFO Baripada has requested vide letter no. 4514 dated 07 June 2018 to make payment in CAF for an amount of Rs. 76,20,000 /- as per the financial outlay for Compensatory Afforestation over 38.50 Ha. of Degraded Forest Land identified in Aghasole RF(28.50 Ha) and Gajadihi-Damodarpur RF(10 Ha.) under Dukura range of Baripda Forest Division as approved by the Additional PCCF, Forest Diversion and Nodal Officer based on wage rate @213.50/- manday and this office has released the same vide cheque no. 513264 dated 20 June 2018. Accordingly, an amount of Rs.76,20,000 /- towards CA land raised by DFO, Baripada has been deposited with ORRISA CAMPA through RTGS vide UTR No.P18062057009698 dated 20 June 2018.

Further, PCCF, Forest Diversion & Nodal Officer has directed to revise the wage rate from Rs.213.5 per manday to Rs.280/- per manday for compliance of Stage-I approval.

(2)

Accordingly, DFO, Baripada vide letter no. 4403 dated 11 July 2019 has submitted the demand to deposit the balance amount of Rs.12,94,200/- (Rs.89,14,200/- - Rs.76,20,000/-) towards the revised CA scheme for 35.00 ha.

The demand has been uploaded in Forest Department Portal for accordance of necessary approval of Nodal Officer. After approval of Nodal Office, an amount of Rs. 12,94,000/- has been deposited through RTGS mode of money transfer vide Cheque No. 264319 dated 18-July-2019. Copy of Challan is enclosed for your reference. (UTR - P19071880980340 dated 18-07-2019)

In view of above, it is requested to issue Stage-II Clearance in this regard.

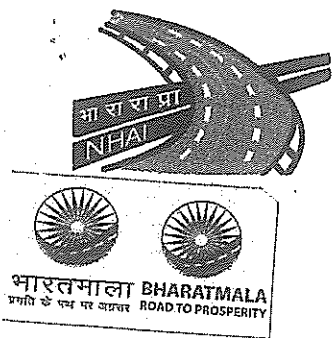

Yours faithfully,

(P. Nageswara Rao) 18/7/19
GM (Tech.) &
Project Director

01 March 2019

To
The Divisional Forest Officer,
Baripada Forest Division,
Baripada

Sub: Diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation Jharpokharia - Baripada - Balasore Section of NH-5 (from km.0.000 to km.80.600) in Mayurbhanj and Balasore Districts coming within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV on EPC Mode - Approval of Stage-2 Clearance - reg.

Sir,

Kindly refer to the subject cited above. In this connection, it is to inform that the User Agency has been complied all the conditions mentioned in the letter No. 5-ORC344/2018-BHU dated 27.04.2018 of Conservator of Forest (Central), Ministry of Environment, Forest & Climate Change wherein "in-principle" approval for diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation of Jharpokharia - Baripada - Balasore Section of NH-5 (from km.0.000 to km.80.600) in Mayurbhanj and Balasore Districts coming within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV on EPC Mode by National Highway Authority of India, subject to the fulfillment of the certain conditions.

In this connection, it is to submit herewith the following for your perusal.

Sl. No.	Conditions	Compliance
i.	Legal status of forest land proposed for diversion shall remain unchanged.	Complied
ii.	The state Govt. shall charge the Net Present Value (NPV) of forest area proposed to be diverted under this proposal from the user agency as per the Order of Hon'ble Supreme Court of India dated 28-03-2008, 24-04-2008 and 09-05-2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05-02-2009 in this regard. While conveying the compliance of this condition mention be made of the Eco-class and density of forest for which NPV has been charged.	Complied
iii.	At the time of payment of the Net Present Value (NPV) at the present rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India	Complied
iv.	Compensatory afforestation shall be raised over 38.50 ha of degraded forestland identified in	Complied

	Aghasole RF (28.50 ha) and Gajadihi Damadorpur RF (10 ha) under Dukura Range of Baripada Forest Division against the area of forest land proposed to be diverted at the cost of the user agency	
v.	Compensatory Afforestation may also include several activities like soil & moisture conservation, regeneration cleaning, silvicultural activities in addition to plantation as prescribed in working plan as applicable	Complied
vi.	State Govt. will formulate compensatory afforestation scheme with focused soil & moisture conservation, along with regeneration cleaning, silvicultural activities and shall ensure maintenance of these plantation for a period of seven to ten years as per requirement	Complied
vii.	For this proposed 4 lane road, the user agency shall try to increase the number of culverts, hump pipe passages, bridges etc. already existing for earlier 2 lane road and proposed by the user agency in the diversion proposal to facilitate wildlife movement including amphibians and reptile	Complied
viii.	While reconstructing and widening the existing culverts, passages etc. the user agency/NHA authority shall focus on the enhancement of the natural ambience inside and around such passages for adaptability of the structures by the wildlife	Complied
ix.	The designing of new culverts/bridges and redesigning the existing ones over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, so that it does not hamper movement of wild animals including fishes & amphibians migration	Complied
x.	The State Govt. shall take up plantation of fruit and flower bearing trees of 10 times the number of trees to be felled from non-forest land of the project alignment at the cost of user agency as proposed by State Govt., on degraded forest land on both sides of this road near site of diversion, if available, otherwise on degraded forest land elsewhere. The details of the same are to be intimated to Regional Office	Amount has been deposited to OFDC as per the approved estimate as per Govt. of Odisha Forest and Environment Department circular no. 13245 dated 11-06-2018
xi.	As proposed by the State Govt., the site specific wildlife conservation shall be prepared taking note of suggestion/observation of CWLW, Odisha for protection and conservation of wildlife in the area. Additional mitigative measures, as would be required for ensuring smooth movement of wild elephants in the area shall also be included in the SSWLCP. The plan shall be approved by the CWLW, Odisha and implemented at project cost	Complied
xii.	The boundary of the forest land proposed to be diverted shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, DGPS coordinates, distance for	Complied

	adjoining pillars etc. As per Ministry's letter No.-13-20/2015-CAMPA dated 09-06-2016, the cost of expenditure like boundary walls, stone pillars, demarcation charges, charges for felling of trees and their transportation to depots shall be deposited with DFOs concerned and the work should be undertaken departmentally in order to ensure that the task of erection of boundary walls, stone pillars, demarcation charges etc, are undertaken faithfully and in the best interests of the forest before the diversion and handing over of the forest land takes place. The work on these items should be completed within 6 months from the grant of final approval to diversion of forest land	
xiii.	The State Forest Department/UA shall submit the surveyed sketch of degraded forest land identified for CA, giving the forward and backward bearing of each demarcation pillar and distance between them. The State Forest Department/User Agency shall submit the DGPS reading of each demarcated pillar giving the latitude and the longitude	Complied
xiv.	In case the widening of the road is to be done in areas already having adequate clearance, trees shall not be cut. Any tree felling shall be done only when it is unavoidable under strict supervision of the State Forest Department	Complied
xv.	The user agency shall use fly ash for the road construction and for filling up of void created due to soil borrows which will be followed by compaction and spreading of top soil over it as per Fly Ash Notification No. S.O.254 (E) dated 25-01-2016	Complied
xvi.	The user agency shall submit an undertaking to ensure that flanks of roads should be filled by transported soil and not with soil dug from the side of the roads	Complied
xvii.	No additional or new path will be constructed inside the forest area for any activity related to the project work	Complied
xviii.	No labour camp shall be allowed in the forest area	Complied
xix.	The user agency shall provide LPG or alternate fuel, to laboures working at the site to avoid damage/tree felling and ensure no fuel wood use	Complied
xx.	The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner	Complied
xxi.	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other user agency, department or person without the prior approval of Ministry of Environment, Forest & Climate Change	Complied
xxii.	The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forest & Climate Change	Complied
xxiii.	The State Government shall complete settlement of	The original FRA

	rights, in term of the Schedule Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03-08-2009 read with letter No. 11-9/1998-FC (pt.) dated 05-02-2013 and 05-07-2013 in support thereof. The user agency shall submit original FRA certificates before issue the Stage - II approval	Certificate has been submitted during Stage-I Approval
xxiv.	Any other conditions that the Ministry of Environment, Forest & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, which shall be complied by the user agency	Complied
xxv.	The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to his project, if any, for the time being in force, as applicable to the project	Complied

In view of above, it is requested to kindly issue necessary approval for Stage-II clearance.

Yours faithfully,

 1/3/19

11.09.2018

To
The Divisional Forest Officer,
Baripada Forest Division,
Baripada

Sub: Diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation of Jharpokharia - Baripada - Baleswar Section of NH - 5 (From Km. 0.000 to Km. 80.600) in the State of Odisha under NHDP Phase - IV on Engineering, Procurement and Construction (EPC) Mode – Forest Diversion Proposal – Stage-I Approval – req.

Sir,

Kindly refer to the letter no. 5-ORC344/2018-BHU dated 27 April 2018 of Conservator of Forest (Central), Ministry of Environment, Forest & Climate Change wherein "in-principle" approval for diversion of 13.856 ha. of forest land for Rehabilitation and Upgradation of Jharpokharia - Baripada - Baleswar Section of NH - 5 (From Km. 0.000 to Km. 80.600) in Mayurbhanj and Balasore Districts coming within the jurisdiction of Baripada Forest Division in the State of Odisha on Engineering, Procurement and Construction (EPC) Mode has been conveyed subject to the fulfillment of the certain conditions for taking further necessary action.

Accordingly, the User Agency has been complied, the conditions and deposited the required charges. The details are as follows:-

1. NPV amounting to Rs. 1,10,31,850/- through RTGS vide UTR SYNBR92018060500546459 dated 05 June 2018 and CA land amounting to Rs. 76,20,200/- through NEFT vide UTR P18062057009698 dated 20 June 2018 has been deposited with ORRISA CAMPA. Copy of Challan is enclosed herewith for your kind reference.
2. Amounting to Rs. 6,85,20,500/- towards Site Specific Conservation Plan has been deposited through NEFT vide UTR P18091101901036 dated 11 September 2018 with ORRISA-CAMPA. Copy of Challan is enclosed herewith for your kind reference.
3. Further, it is to submit herewith the required Undertakings as per stipulations / conditions laid in the above approval

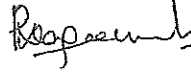

181

OK

(2)

In view of the above, it is requested to kindly accord necessary working permission to the User Agency to take up the work in the forest area immediately.

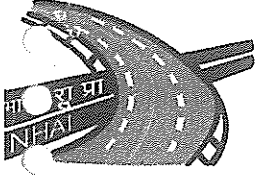

Yours faithfully,

(P. Nageswara Rao) 11/9/18

Requisition for release of fund for raising of compensatory plantation of
Jharpokharia-Baipada-Balasore Section of NH-05

Ref: -

Your letter No. NHAI/110124/OFDC/2018/PIU/BLS/995 dt. 5.10.2018
Letter No. 2772 dt. 20.11.2018 of General Manager, OFDC Ltd,
Bhubaneswar [C] Zone, Bhubaneswar.

Dear Sir,

With reference to Letter cited above on the captioned subject we submit herewith the cost estimate for raising of compensatory plantation from Jharpokharia-Baripada-Balasore Section of NH-05 of ten times of Tree felling of 12409 nos. marked trees duly approved by the General Mnager, OFDC Ltd, Bhubaneswar [C] Zone, Bhubanesware amounting to Rs. 17,79,32,194/- for raising of 35514 nos seedlings of avenue plantatin and 88576 nos of block plantation of the above project for your kind information and necessary action.

We would, therefore, request you to deposit Rs. **17,92,32,194/-** (Rupees Seventeen crore Ninety two lakh thirty two thousand one hundred ninety four) only in favour of the Odisha Forest Development Corporation Ltd, Account No:- **550120100000649, IFSC code No:-BK1D0005501 of Bank of India, Baripada** for taking necessary follow up action at our end.

Yours faithfully,

Encl:- As above (Approved scheme)

NAME OF PLANTATION SCHEME:-**JHARPOKHARIA-BARIPADA-BALAORE SECTION OF NH-05**

NAME OF FUNDING AGENCY:- N.H.A.I, BALASORE

No of seedlings to be planted :- 124090 nos

*Prepared by :- Divisional Manager,
OFDC Ltd,
Baripada [C] Division.*

Technical Approved by :- General Manager,
OFDC Ltd,
Bhubaneswar [C] Zone.

THE SCHEME & ESTIMATE FOR COMPENSATORY AVENUE PLANTATION OF JHARPOKHARIA-BARIPADA-BALASORE SECTION OF NH-05 (NEW -18) TO BE UNDER TAKEN BY BARIPADA [C] DIVISION.

CHAPTER-I

BRIEF DESCRIPTION OF THE PROJECT:-

As per letter No. NHAI/11012/04/OFDC/2018/PIU/BLS-993 dt. 5.10.2018 of G.M (Tech) and Project Director, NGAI, Balasore requested for Scheme and Estimate for Rehabilitation & Upgradation of Jharpokharia-Baripada-Balasore Section of NH-05 (Km 0.000 to Km 80.600) in the State of Odisha Under NHDP Phase-IV on EPC Mode- Estimate on avenue plantation has to be submitted for Rehabilitation and Up gradation of Jharpokharia-Baripada-Balasore Section of NH-05 (Km 0.000 to Km 80.600). It has been decided to take up avenue plantation for tree felling in non-forest land at the cost of User Agency through the State Govt. The felling permission in Non-forest area was obtained from Divisional Forest Officer, Baripada and Balasore as mentioned below. Out of total nos of 21718 nos marked trees 12409 trees were felled as intimated vide letter No. NHAI/11012/OFDC/2018/PIU/BLS/993 dt. 5.10.2018 Copy enclosed as **Annexure- I**

As per letter No. 05-ORC 344/2018-BHU dt. 27.4.2018 of the Conservator of Forest (Central) in Stage-I clearance of above mentioned Project, OFDC Ltd shall take up plantation of fruit and flower bearings trees of 10 times of nos. of trees felled from non-forest land of the project alignment at the cost of User Agency on degraded Forest Land on both sides of the road near site of diversion, if available otherwise on degraded forest land elsewhere (Copy enclosed as **Annexure- II**. The estimated cost norm is prepared basing on the approved norm governed by guide lines of "National Green Highways Policies guideline 2015" along with maintenance cost of 05 years and protection measure of plants for three years including the cost of fencing. The Plan and estimate is submitted for raising of avenue plantation for 12409 nos of seedlings against removal of 12409 nos of trees along 32.950 Km from (Km 0.000 to Km 80.600) in accordance with design chainage along RHS, LHS & BHS with length in meters reflected in separate sheets provided by GM (Tech) & Project Director, NHAI, Balasore.

As per design chainage sheet total RHS, LHS & BHS comes to 19400 Mtrs, 8950 Mtrs and 9200 (4600X 2) Mtrs respectively Land development will be carried out in low lying areas which are prone to water logging adjoining the road and accordingly multi row plantations of 3 rows will be taken up where more space is available on the sides of the road.

CHAPTER-II

A BRIEF DESCRIPTION OF THE PROPOSED PLANTATION SCHEME:-

Objectives:-

1. Build resilient ecosystems "Green Corridors" along National Highways for
 - i. Combating global warming & climate changes effects.
 - ii. Optimum GHG sequestration.
 - iii. Ex situ conservation of native RET species of the region.
2. To reduce the harmful effects of noise and air pollution.
3. To ameliorate the climatic condition of the area.
4. To develop unique green corridors with aesthetic appeal.
5. To provides shade on the glaring hot roads during the summers.
6. To reduce the soil erosion at the road embankment and slopes.
7. To reduce the harmful effects of wind and incoming UV radiation.

SCHEDULE OF ACTIVITIES FOR ROAD SIDE PLANTATION

SPECIES TO BE PLANTED.

As per the condition no.-XII imposed by MOEF vide their Letter No. 5- ORC-344/2018 BHU dt.27.04.2018 the plantation of locally regenerating fruit and flower bearing trees shall be raised on land on both sides of the road. The species have been selected to be planted in different sites depending upon the soil quality, aim and objective of the plantation and adaptability and suitability to agro-climatic regions etc. The Divisional Manager , OFDC. Ltd. Baripada will have the discretion to choose any species on the basis of above consideration. Accordingly following species are recommended.

1. Kadamba	- Anthocephalus cadamba
2. Neem	- Azadiracta indica.
3. Panasa	- Artocarpus heterophyllus
4. Bela	- Aegle marmelos
5. Mango(Amba)	- Mangifera indica
6. Jamu	- Syzygium cumini
7. Sirish	- Albizia lebbbeck.
8. Kanchan	- Bauhinia Species
9. Mahaneem	- Melia Azedarach.
10. Chhatian	- Alstonia scholaris
11. Sunari	- Casia fistula.
12. Nidrabati (Bada Chakunda)	- Samania saman
13. Sisoo	- Dalbergia sisso.
14. Karanja	- Pongamia pinnata
15. Arjuna	- Terminalia arjuna
16. Champa	- Michelia champaca
17. Mahagoni	- Swietenia mahagoni
18. Bara	- Ficus benghalensis
19. Asiwastha	- Ficus religiosa
20. Sana Chakunda	- Cassia Siamea
21. Fig	- Ficus racemosa
22. Simaruba	- Simarouba glauca
23. Mahala	- Ailanthus excelsa
24. Pateh	- Lagerstroemia speciosa
25. Anla	- Emblica officinalis
26. Harida	- Terminalia chebuala
27. Bahada	- Terminalia belerica

Land Development.

Since the land along the both side of the NH-05 Road from Jharpakhoria-Baripada-Balasore is mostly water logged it is proposed to make continuous ridges of 6 meters width and 1 meter height parallel to the road over 24000 RMTS in the above mentioned road. Cleaning the site, Cutting the soil to a width of 6 mtr and 24000 rmt length to a depth of 1 mtr and stacking the excavated soil and making ridges with a width of 6 mtr, height of 1 meter & compressing the soil on both sides of the ridge and leveling the top soil for a length of 24000 running meters for 23976 nos. seedlings is to be done. The total quantity of soil required for making ridges is equal to 6 mtrs X 1 mtr X 24000= 144000 cum. The cost of same has been calculated @90/- per Cum as per Annexure-22, PCCF norm 2016 for earth work on the basing of PWD schedule rate for the purpose of multi row (03 row) plantation on ridges.

Particulars	Quantity of soil in cum	Rate per cum	Amount in Rupees
Cleaning of the site, cutting of the soil to a width of 6mtr, length of 24000 rmt and height of 1 mtr, Stacking of the excavated soil to width of 6 mtr, length of 24000 rmt and height of 1 meter and compressing the soil on the both sides and leveling of the top soil for 23976 nos. seedlings & making ridges of 6 mtrs X 1 mtr X 24000 Rmt for multirows plantations (3 Rows) on the ridges.	144000 cum	90/-	1,29,60,000/-

No. of seedlings to be planted: - 35514 Nos. of seedling are to be planted in compensatory avenue plantation.

Name of the Funding Agency: - G.M. (Tech) and Project Director, NHAI, Balasore

Type of seedlings: - One year and six months old tall seedlings are to be planted.

Nursery: - Seedlings will be raised in nursery and will be purchased from outside in case of exigency.

CHAPTER -III

DELINEATION OF PROPOSED SITE OF PLANTATION

As per Stage-I clearance of the above mentioned Road project 1,24,090 nos of seedlings are required to be planted being the 10 times of numbers of trees to be felled with 3 meter spacing.

As per space available on both sides of the above mentioned road as per deign chainage provided by NHAI 35514 nos. seedlings will be planted over 32.95 Km on RHS (19400 RMT- 3rows-19380 seedlings), LHS (3000RMT -single row-999 seedlings+ 5950 RMT -3rows-5944 seedlings= 6943 seedlings) & BHS (4600 RMT- 3 rows on bothsides-9191 seedlings. In avenue plantation in this project 35514 nos. of seedlings will be planted. Later

on depending on the availability of Non-forest land if, provided by the collector and District Magistrate Mayurbhanj and Balasore Districts or GM (Tech) and PD NHAI, Balasore, the remaining 88576 nos. of seedlings will be planted accordingly. The letters written to the above three authorities are provided in **ANNEXURE**.

CHAPTER-IV

FIELD UNIT RESPONSIBLE FOR PLANTATION:-

As the project is coming under Baripada Sub-Division, the SDM Baripada Sub-division will implement the project. 35514 nos. of seedlings will be planted in the both sides of the road as per design chainage provided by NHAI. To ensure protection of planted seedlings for five years from biotic interference, damage by cattle and other miscreants, fencing by individual tree guard of HDPE oblong fiber net will be provided for single Row plantation & fencing will be provided in multi Row plantations. Both the SDM and concerned Field Assistants will be responsible if any short fall or irregularities is noticed.

CHAPTER- V.

DETAILS OF WORK SCHEDULE:-

Technical parameters:-

1. Initially the seedlings will be developed in 8"x5" and 6"x4" poly bags for 7 to 8 months from January/Feb. till it attains the height of 1' to 1.5'.
2. Poly pots of size 10"x16"/10"x12" will be filled up with farm yard manure, sand and soil in the ratio of in 1:2 according to cost norm of nursery.
3. The filled up poly bags will be arranged in one or two rows to allow sufficient sunlight and air to each seedling.
4. 7 to 8 months old seedlings raised in small poly bags of (1' to 1.5" height) will be transplanted carefully by trimming the ball of soil and root during the month of September.
5. The transplanted seedlings are watered as per requirement and weeding will be done regularly.
6. Shifting and grading of seedlings will be carried out including the clipping of side branches of each plant to allow it to attain 5' to 6' clear height. After that, the side branches will be allowed to grow to attain a well balanced canopy.
7. Clipping off of the terminal branches is an important factor and should be done by skillful persons after which blitox should be applied or sprayed on the wounds to prevent fungus attack or dying back.
8. Application of DAP/ UREA 50 gms. @ Per plant in 5 split doses and periodical spraying of insecticides and pesticides and hormones will help in maintaining the healthy growth of the plant.
9. Stakes if required will be provided to the learning plants, but should be avoided in general to make the plant grow in a sturdy and self sustained manner.
10. The roots should not be allowed to coil and regular shifting as per requirement should be attended to.
11. The plants will be ready per planting when it attains a height of 5' to 6' in 10" x 12" or 10" x 16" poly bags in July.

PLANTING

1. The grown up seedlings will be loaded carefully to the truck and will be transported to the planting sites just before plantation on the onset of monsoon.
2. Pits of size 60cm x 60cm x 60cm will be dug either by soil excavator mechanically or by engaging man power and the excavated soil will be dumped in proportion of 1/3rd and 2/3rd on the opposite sides of pits and will be allowed to weather. The soil below the pits should be loosened to a further depth of 15cm. for smooth growth of roots.
3. The pits will be refilled with 1/3rd top soil first by breaking the clods and 2/3rd of the top soil up to 75% of the pits and will be left as such till planting.
4. Well decomposed farm yard manure at the rate of 0.5 cub. ft / Bio fertilizer 60gms. and NPK fertilizer 50gms. per plant and Chloropyrophus- 20gms. Per plant will be added to the soil 3 days before planting of the seedlings and will be watered once after thoroughly mixing with soil.
5. After 3 days, the seedlings brought from the nursery will be transplanted by carefully removing the polythene bags by blade or knife and cutting the coiled roots, if any, to allow fresh roots to come up.

6. After the planting of the seedlings the soil around the plants should be thrashed firmly to allow the plant to stand on its own and a stake preferably bamboo stake will be provided to the plant and tied at 3 places to allow the plant to stand erect.
7. As a protection measure individual tree guard (HDPE Oblong fiber net) of (0.6 mtr length x 0.6 mtr width x 1.8 mtr height) will be provided to protect the seedling with spilt bamboo poles of 1.8mt. long to support the HDPE oblong fiber net.
8. In block plantation for protection of seedlings fiber square net continuous fencing will be provided.
9. The plant will be weeded after one month to a radius of 30 Cm. of planting with application of 100 grams. Of urea and 50 grams. Of NPK fertilizer in scattered holes around it and repair of saucer trench will be done for water conservation.
10. 2nd weeding will follow the 1st weeding after two months with a radius of 0.5 mtr.
11. Soil working with a radius of 0.5 mtr. from the plant, saucer for moisture conservation and mulching with the available materials to be carried out with application of 100 gm of urea.
12. After the rainy season, the plants will be watered for 5 months @ 10 days per month by means of labourers with the help of tractor/tankers from the month of November to March.
13. Watch and ward and general maintenance will be provided for nine months in urban area for protection of plant up to March.
14. During the 2nd year 10% casualty replacement or as per actual requirement shall be carried out in the month of July with application of (Firm yard manure FYM), DAP fertilizer and Chloropyrophus.
15. The 1st weeding in the 2nd year will be carried out up to 30 Cm. radius from the plant with application of urea @ 100 gms. Or /NPK fertilizer 50 gm. Per plant will be applied including the repair of saucer for conservation of water.
16. The 2nd weeding in the 2nd year within a radius of 0.5 mtr. from the plant, deep soil working and mulching with available materials will be carried out including the repair of saucer with application of urea fertilizer @ 100 gms. and NPK fertilizer @ 50 gms. per plant.
17. The plants will be maintained for a well built canopy which will be carried out by the watch and ward staff.
18. Watering will be carried out as and when necessary with the help of watch and ward staff and general maintenance will be carried out.
19. Weeding and pruning will be carried out in the 3rd year operation and the watch and ward will be provided for 12 months from the month of April to March.
20. The cost of plantations will be maintained within the approved norm. The Divisional Manager may change the item wise norm according to the site specification and requirement of plantation; but the expenditure will be within the norm.

CHAPTER -06

Cost Structure of plantation & provision of funds

On the basis of approved cost norm of the Head Office, this office has prepared the cost norm for 1000 saplings, with five year maintenance. The same has been enclosed at **Annex -V**. The detailed cost structure of plantation, component wise has been furnished at **Annexure-VIII**

CHAPTER 7

Details of proposed monitoring mechanism.

The monitoring mechanism developed under the guideline for National Green Highways Policy 2015 will be adopted for monitoring of the plantation. In addition, the monitoring mechanism of O.F.D.C. Ltd will also be put in place for the said plantation.

CHAPTER-08

NATURAL CALAMITIES AND DAMAGED TO PLANTS:-

The planted seedlings are often susceptible to cyclonic damage or uprooting, which is unforeseen and beyond human control. Any damage to the plantation occurred due to cyclone will be jointly verified by the staff of the Funding Agency and OFDC Ltd., and the loss or damage will be quantified after field verification which will be acceptable to the User Agency while handing over the plantation. In case of any damage to the plantation due to the developmental works being carried out in the area will also be brought to the notice of Funding Agency.

MODE OF PAYMENT:-

The entire funds as per accepted norm will be released in favour of the DM, OFDC Ltd., Baripada (C) Division in shape of Bank draft or through RTGS. The OFDC Ltd. will carry out the work after receipt of the total funds from the Funding Agency.

REVISION OF COST:-

The estimate has been prepared as per the current minimum wage rate Rs.280.00 (Rupees Two hundred eighty) only any escalation in labour rate as per Govt. of Odisha notification No. LL-I-III-56/18- 7368/LESI, dated 30th October,2018 will be reflected in the revised estimate. The enhanced amount including the establishment cost and GST will be paid to the OFDC Ltd. by the Funding Agency.

HANDING OVER OF THE PLANTATION:-

The grown up plants will be handed over to the Funding Agency after 5 years of maintenance and protection with 90% survival.

Divisional Manager,
Baripada (C) Division.

SUITABILITY CERTIFICATE

This is to certify that 32.95 Km of land at different stretches has been allotted to OFDC Ltd, Baripada [C] Division, Baripada for Avenue Plantation in respect of Jharpakhoria-Baripada-Balasore Section of NH-05 and the same allotted land is found suitable for plantation.

G.M.(Tech) & Project Director,
NHAI, OT, Road, Balasore

Divisional Manager,
OFDC Ltd,
Baripada [C] Division.

Annexure-

Land Development.

Since the land along the both side of the NH-05 Road from Jharpakhoria-Baripada-Balasore is mostly water logged it is proposed to make continuous ridges of 6 meters width and 1 meter height parallel to the road over 24000 RMTS in the above mentioned road. Cleaning the site, Cutting the soil to a width of 6 mtr and 24000 rmt length to a depth of 1 mtr and stacking the excavated soil and making ridges with a width of 6 mtr, height of 1 meter & compressing the soil on both sides of the ridge and leveling the top soil for a length of 24000 running meters for 23976 nos. seedlings is to be done. The total quantity of soil required for making ridges is equal to 6 mtrs X 1 mtr X 24000 = 144000 cum. The cost of same has been calculated @90/- per Cum as per Annexure-22, PCCF norm 2016 for earth work on the basing of PWD schedule rate for the purpose of multi row (03 row) plantation on ridges.

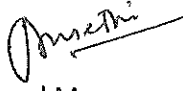

Particulars	Quantity of soil in cum	Rate per cum	Amount in Rupees
Cleaning of the site, cutting of the soil to a width of 6mtr, length of 24000 rmt and height of 1 mtr, Stacking of the excavated soil to width of 6 mtr, length of 24000 rmt and height of 1 meter and compressing the soil on the both sides and leveling of the top soil for 23976 nos. seedlings & making ridges of 6 mtrs X 1 mtr X 24000 Rmt for multirows plantations (3 Rows) on the ridges.	144000cum	90/-	1,29,60,000,-

Memo No. 4612 / OFDC, Baripada, dated, 17/11 Nov'18

To,

The Collector & District Magistrate,
Mayurbhanj, Baripada.

Sub -

Allotment of land for compensatory Plantation for the year 2019-20.

Su,

We would inform you that the Project Director, NHAI, Balasore has requested Baripada [C] Division, OFDC Ltd, Baripada to take up plantation of 124090 nos seedlings against tree felling of 12409 nos marked trees on the land available on the sides of Jharpakhoria-Baripada-Balasore NH-05 (New -18) from 0.000 Km to 80.600Km in the State of Odisha under NHDP Phase-IV on EPC mode.

We have to take up avenue plantation of 35514 nos seedlings on NH-05 Jharpakhoria-Baripada-Balasore Road during 2019-20 as per land availability on both sides of the road. Balance 88576 nos of seedling are to be planted on the Non-forest/ Revenue land over 55.36 Ha. in Mayurbhanj District.

Similarly, 222770 nos of seedlings are to be planted against tree felling of 22277 nos trees on NH-06 (Baharagora-Singara Section from 199.200Km to 310.806 Km). We have to plant 109000 nos of seedlings on the Baharagora Singara Section along NH-06 during the year 2019-20 as per land availability on both sides of the road. Balance 113700 nos of seedling are to be planted on the Non-forest land/ revenue land over 71.10 Ha.

Therefore, we would request you to kindly allot $(55.36 + 71.10) = 124.46$ Ha. of Non-forest/revenue land in favour of OFDC Ltd for plantation of 202276 nos² seedlings during 2019-20 at an early date.

Yours faithfully,

Sir,

With reference to the subject & letter cited above, wherein while conveying the permission for felling of trees under non-forest area for Rehabilitation and Up gradation of Jharpokharia - Baripada - Baleshwar Section of NH-5 (Km 0.000 to Km 80.600), it has been directed to take up avenue plantation for tree felling in Non-Forest Land at the cost of User Agency through State Govt. Tree felling permission in Non-Forest area have been obtained from DFO-Baripada, as mention below

Sl. No.	Name of the Forest Range	Name of Forest Division	Total Trees to be felled	Trees likely to be felled
1	Bangriposi	Baripada	873	180
2	Deuli		4,876	2,500
3	Pithabata		8,108	5,200
4	Betnoti		7,650	4,400
5	Chandipur	Chandipur	211	129
Total Nos. of Tree			22,277	12,409

(2)

Now, as per decision taken during review meeting held on 12-04-2018 under the Chairmanship of Chief Secretary, Odisha as communicated vide F&F office cited at sl. no. 1 above, it has been decided that the avenue plantation @ 2 times of the trees to be felled is to be taken up OFDC only.

In view of above, it is requested to submit the detailed estimates for avenue plantation as per latest guidelines for the above stretch.

Yours faithfully,

 5/10/18

144/2018-BHU

27th April, 2018

The Addl. Chief Secretary,
Forest & Environment Deptt.,
Govt. of Odisha,
Bhubaneswar.

Subj:-

Diversion of 13.856 ha of forest land for rehabilitation & upgradation of Jharpokkharia-Baripada-Balasore section of NH-5 (from 0.000 to 80.600 Km) in Mayurbhanj and Balasore districts coming within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV on EPC mode by National Highway Authority of India.

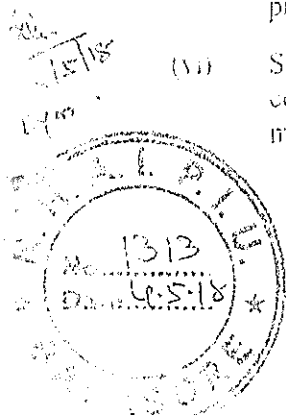

Sr

1. I am directed to refer to State Govt. letter No10F(Cons)71/2016-6793/F&E dated 12.03.2018 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forest & Climate Change under section 2 of Forest (Conservation) Act, 1980.

2. After due consideration of the proposal of the State Government and on the basis of decision of Regional Empowered Committee meeting held on 23.04.2018, the Ministry of Environment, Forest & Climate Change hereby conveys 'Stage-I/in-principle' approval for diversion of 13.856 ha of forest land for rehabilitation & upgradation of Jharpokkharia-Baripada-Balasore section of NH-5 (from 0.000 to 80.600 Km) in Mayurbhanj and Balasore districts coming within the jurisdiction of Baripada Forest Division in the State of Odisha under NHDP Phase-IV on EPC mode by National Highway Authority of India, subject to the fulfillment of the following conditions.

- (i) Legal status of forest land proposed for diversion shall remain unchanged.
- (ii) The State Govt. shall charge the Net Present Value (NPV) of forest area proposed to be diverted under this proposal from the user agency as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No.5-3/2007-FC dated 05.02.2009 in this regard. While conveying the compliance of this condition, mention be made of the Eco-class and density of forest for which NPV has been charged.
- (iii) At the time of payment of the Net Present Value (NPV) at the present rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- (iv) Compensatory afforestation shall be raised over 38.50 ha of degraded forestland identified in Aghasole RF (28.50 ha) and Gajacihli Damadorpur RF (10 ha) under Dukura Range of Baripada Forest Division against the area of forest land proposed to be diverted at the cost of the user agency.
- (v) The compensatory afforestation may also include several activities like soil & moisture conservation, regeneration cleaning, silvicultural activities in addition to plantation as prescribed in the working plan as applicable.
- (vi) State Govt. will formulate compensatory afforestation scheme with focused soil & moisture conservation, along with regeneration cleaning, silvicultural activities and shall ensure maintenance of these plantation for a period of seven to ten years as per requirement

Contd...

- For this proposed 4 lane road, the user agency shall try to increase the number of culverts, humepipe passages, bridges etc. already existing for earlier 2 lane road and proposed by the user agency in the diversion proposal to facilitate wildlife movement including amphibians and reptiles.
- (viii) While reconstructing and widening the existing culverts, passages etc. the user agency/NHAI authority shall focus on the enhancement of the natural ambience inside and around such passages for adaptability of the structures by the wildlife.
 - (ix) The designing of new culverts/bridges and redesigning the existing ones over the natural streams/ rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, so that it does not hamper movement of wild animals including fishes & amphibians migration.
 - (x) State Govt. shall take up plantation of fruit and flower bearing trees of 10 times the number of trees to be felled from non-forest land of the project alignment at the cost of user agency as proposed by State Govt., on degraded forest land on both sides of this road near site of diversion, if available, otherwise on degraded forest land elsewhere. The details of the same are to be intimated to Regional Office.
 - (xi) As proposed by the State Govt., the site specific wildlife conservation shall be prepared taking note of suggestion/observation of CWLW, Odisha for protection and conservation of wildlife in the area. Additional mitigative measures, as would be required for ensuring smooth movement of wild elephants in the area shall also be included in the SSWLCP. The plan shall be approved by the CWLW, Odisha and implemented at project cost.
 - (xii) The boundary of the forest land proposed to be diverted shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, DGPS coordinates, distance from adjoining pillars etc. As per Ministry's letter No.13-20/2015-CAMPA dated 09.06.2016, the cost of expenditure like boundary walls, stone pillars, demarcation charges, charges for felling of trees and their transportation to depots shall be deposited with DFOs concerned and the work should be undertaken departmentally in order to ensure that the task of erection of boundary walls, stone pillars, demarcation charges etc. are undertaken faithfully and in the best interests of the forests before the diversion and handing over of the forest land takes place. The work on these items should be completed within 6 months from the grant of final approval to diversion of forest land.
 - (xiii) The State Forest Department/UA shall submit the surveyed sketch of degraded forest land identified for CA, giving the forward and backward bearing of each demarcation pillar and distance between them. The State Forest Department/User Agency shall submit the DGPS reading of each demarcated pillar giving the latitude and the longitude.
 - (xiv) In case the widening of the road is to be done in areas already having adequate clearance, trees shall not be cut. Any tree felling shall be done only when it is unavoidable under strict supervision of the State Forest Department.
 - (xv) The user agency shall use fly ash for the road construction and for filling up of void created due to soil borrows which will be followed by compaction and spreading of top soil over it as per Fly Ash Notification No. S.O. 254 (E) dated 25.01.2016.
 - (xvi) The user agency shall submit an undertaking to ensure that flanks of roads should be filled by transported soil and not with soil dug from the side of the roads.
 - (xvii) No additional or new path will be constructed inside the forest area for any activity related to the project work.

Contd...3

- (xviii) No labour camp shall be allowed in the forest area.
- (xix) The user agency shall provide LPG or alternate fuel, to labourers working at the site to avoid damage/tree felling and ensure no fuelwood use.
- (xx) The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- (xxi) The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other user agency, department or person without the prior approval of Ministry of Environment, Forest & Climate Change.
- (xxii) The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forest & Climate Change.
- (xxiii) The State Government shall complete settlement of rights, in term of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No.11-9/1998-FC (pt.) dated 03.08.2009 read with letter No.11-9/1998-FC (pt.) dated 05.02.2013 and 05.07.2013, in support thereof. The user agency shall submit original FRA certificates before issue of Stage-II approval.
- (xxiv) Any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, which shall be complied by the user agency.
- (xxv) The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.

3. After receipt of the report on compliance to the conditions stipulated above, from the State Government of Odisha, final/Stage-II approval for diversion of the said forest land under Section 2 of Forest (Conservation) Act, 1980 will be issued by this Ministry. Transfer of forest land to user agency should not be effected by the State Government of Odisha till final/Stage-II approval for its diversion is issued by the Ministry of Environment, Forest & Climate Change. However, the State Govt., if it so desires, may allow the user agency for commencement of work as per Ministry guideline issued vide letter No.11-306/2014-FC (pt.) dated 28.08.2015.

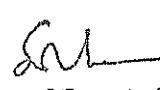

Yours faithfully,

(S. Mohapatra)

GOVERNMENT OF ODISHA
LABOUR & ESI DEPARTMENT

No. LL-I-III- 56/18- 7363 /LESI, dated 30th October, 2018

From

Smt. Anu Garg, IAS
Principal Secretary to Government,

To

All Collectors

Sub: Publication of Gazette Notification in respect of enhancement of minimum wages for the labourers of the State.

Sir / Madam,

The Government in Labour & ESI Department have been pleased to issue the Gazette Notification on 30.10.2018 revising the rates of minimum wages throughout the state of Odisha in accordance with the Minimum Wages Act, 1948 and based on the recommendation of the State Minimum Wages Advisory Board.

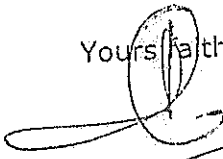

Major highlights of this notification are as follows: -

- The rates of minimum wages in respect of Unskilled, Semi-Skilled, Skilled & Highly Skilled Labour have been increased substantially and progressively. The Unskilled wages have been revised from Rs.200/- per day to Rs.280/- per day (40% hike), Semi-Skilled wages have been revised from Rs.220/- per day to Rs.320/- per day (45% hike), Skilled wages have been revised from Rs.240/- per day to Rs.370/- per day (54% hike) and Highly Skilled wages have been revised from Rs.260/- per day to Rs.430/- per day (65% hike). Besides, wages for Piece rate work under fifteen employments have been enhanced for the labourers.
- This revision has been made after 3 years and the rate of inflation, increase in the Consumer Price Index, prevailing rates in market and prevailing minimum wages in neighboring States have been taken into account by the State Minimum Wages Advisory Board as well as the Government.
- These revised minimum wage rates are higher than many other States. This is expected to check distress migration in respect of such workers migrating in the hope of getting higher wages in other states.
- Government of Odisha has been providing focussed attention and efforts towards skilling. Taking into consideration the need to incentivize skilling, the minimum wages for Skilled and Highly Skilled categories have been given major hike bringing them to the top bracket of minimum wages among various

- The Variable Dearness Allowance (VDA) will be revised every six months, in the interest of the labourers.

These Gazette Notifications are attached herewith for sharing with concerned officials, for necessary publicity and strict implementation with immediate effect.

Yours faithfully,

Principal Secretary to Government

Memo No. 7364 /LESI, dated - 30-10-2018
