As per stipulation No.(viii) of the said approval order, the complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector. The FRA Certificate in Form-II (for linear project other than plantation) shall be submitted before Stage-II approval. In this connection, you have furnished an undertaking to furnish the required certificate before Stage-II approval which has been enclosed at **Page-49 of Diversion Proposal**. Please submit the same immediately.

Further, as per stipulation No.(vii), the User Agency shall restrict the felling of trees to minimum number in diverted forest land and the trees shall be felled under **strict supervision of the State Forest Department** and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department. Hence, the demand notice of tree cost will be issued in due time.
