- (b) enter any premises to which electricity is to be supplied by him, for the purpose of examining and testing the electric wires fittings, works and apparatus for the use of electricity belonging to the consumer.

(3) Where a consumer refuses to allow a licensee or any person authorised as aforesaid to enter his premises or land in pursuance of the provisions of sub-section (1) or, sub-section (2), when such licensee or person has so entered, refuses to allow him to perform any act which he is authorised by those sub-sections to perform, or fails to give reasonable facilities for such entry or performance, the licensee may, after the expiry of twenty-four hours from the service of a notice in writing on the consumer, cut off the supply to the consumer for so long as such refusal or failure continues, but for no longer.

Section 164. (Exercise of powers of Telegraph Authority in certain cases):

The Appropriate Government may, by order in writing, for the placing of electric lines or electrical plant for the transmission of electricity or for the purpose of telephonic or telegraphic communications necessary for the proper co-ordination of works, confer upon any public officer, licensee or any other person engaged in the business of supplying electricity under this Act, subject to such conditions and restrictions, if any, as the Appropriate Government may think fit to impose and to the provisions of the Indian Telegraph Act, 1885, any of the powers which the telegraph authority possesses under that Act with respect to the placing of telegraph lines and posts for the purposes of a telegraph established or maintained, by the Government or to be so established or maintained.

Section 165. (Amendment of sections 40 and 41 of Act 1 of 1894): -- (1) In section 40, sub-section (1) of clause (b) and section 41, sub-section (5) of the Land Acquisition Act, 1894, the term "work" shall be deemed to include electricity supplied or to be supplied by means of the work to be constructed.

(2) The Appropriate Government may, on recommendation of the Appropriate Commission in this behalf, if it thinks fit, on the application of any person, not being a company desirous of obtaining any land for its purposes, direct that he may acquire such land under the provisions of the Land Acquisition Act, 1894 in the same manner and on the same conditions as it might be acquired if the person were a company.

²⁷[PART IIA]

UNIVERSAL SERVICE OBLIGATION FUND

9A. Establishment of Universal Service Obligation Fund.—(1) On and from the commencement of the Indian Telegraph (Amendment) Act, 2003, there shall be deemed to have been established, for the purposes of this Act, a fund to be called the Universal Service Obligation Fund.

(2) The Fund shall be under the control of the Central Government and there shall be credited thereto —

- (a) any sums of money paid under section 9B;
- (b) any grants and loans made by the Central Government under section 9C.

(3) The balance to the credit of the Fund shall not lapse at the end of the financial year.

9B. Crediting of sums to Consolidated Fund of India.—The sums of money received towards the Universal Service Obligation under section 4 shall first be credited to the Consolidated Fund of India, and the Central Government may, if Parliament by appropriation made by law in this behalf so provides, credit such proceeds to the Fund from time to time for being utilised exclusively for meeting the Universal Service Obligation.

9C. Grants and loans by Central Government.—The Central Government may, after due appropriation made by Parliament by law in this behalf, credit by way of grants and loans such sums of money as that Government may consider necessary in the Fund.

9D. Administration and utilisation of Fund.—(1) The Central Government shall have the power to administer the Fund in such manner as may be prescribed by rules made under this Act.

(2) The Fund shall be utilised exclusively for meeting the Universal Service Obligation.

(3) The Central Government shall be responsible for the co-ordination and ensuring timely utilisation and release of sums in accordance with the criteria as may be prescribed by rules made under the Act.]

PART III

POWER TO PLACE TELEGRAPH LINES AND POSTS

10. Power for telegraph authority to place and maintain telegraph lines and posts.—The telegraph authority may, from time to time, place

and maintain a telegraph line under, over, along, or across, and posts in or upon any immovable property:

Provided that—

- (a) the telegraph authority shall not exercise the powers conferred by this section except for the purposes of a telegraph established or maintained by the [Central Government], or to be so established or maintained;
- (b) the [Central Government] shall not acquire any right other than that of user only in the property under, over, along, across in or upon which the telegraph authority places any telegraph line or post; and
- (c) except as hereinafter provided, the telegraph authority shall not exercise those powers in respect of any property vested in or under the control or management of any local authority, without the permission of that authority; and
- (d) in the exercise of the powers conferred by this section, the telegraph authority shall do as little damage as possible, and, when it has exercised those powers in respect of any property other than that referred to in clause (c), shall pay full compensation to all persons interested for any damage sustained by them by reason of the exercise of those powers.

11. Power to enter on property in order to repair or remove telegraph lines or posts.—The telegraph authority may, at any time, for the purpose of examining, repairing, altering or removing any telegraph line or post, enter on the property under, over, along, across, in or upon which the line or post has been placed.

PROVISIONS APPLICABLE TO PROPERTY VESTED IN OR UNDER THE CONTROL OR MANAGEMENT OF LOCAL AUTHORITIES

12. Power for local authority to give permission under section 10, clause (c), subject to conditions.—Any permission given by a local authority under section 10, clause (c), may be given subject to such reasonable conditions as that authority thinks fit to impose, as to the payment of any expenses to which the authority will necessarily be put in consequence of the exercise of the powers conferred by that section, or as to the time or mode of execution of any work, or as to any other thing connected with or relative to any work undertaken by the telegraph authority under those powers.

13. Power for local authority to require removal or alteration of telegraph line or post.—When, under the foregoing provisions of this Act, a telegraph line or post has been placed by the telegraph authority under, over, along, across, in or upon any property vested in or under the control or management of a local authority, and the local authority,

MINISTRY OF POWER

ORDER

New Delhi, the 24th December, 2003

S.O. 1463(E).—Whereas Power Grid Corporation of India Limited, having its registered office at B-9, Qutab Institutional Area, Katwaria Sarai, New Delhi (hereinafter referred to as "the POWERGRID") is a Government Company registered under the Companies Act, 1956 and a licensee engaged in the business of inter-State transmission of electricity, under the Electricity Act, 2003;

And, whereas Powergrid is required to establish transmission system and to undertake transmission of electricity through inter-State transmission system;

And, whereas for placing and maintaining of electric lines or electrical plant under, over, along or across, posts in or upon any immovable property for the transmission of electricity or for the purpose of telephonic or telegraphic communications necessary for proper coordination of works, the vesting and exercise of the powers of the Telegraph Authority under Part-III of the Indian Telegraph Act, 1885 (8 of 1885) with respect to the placing of the telegraph lines and posts established or maintained or to be so established or maintained are required to be conferred on the Powergrid;

Now, therefore, in exercise of the powers conferred by Section 164 of the Electricity Act, 2003 the Powergrid is hereby authorized to exercise all the powers vested in the Telegraph Authority under Part III of the Indian Telegraph Act, 1885, in respect of the electrical lines and electrical plant established or maintained, or to be so established or maintained for the transmission of electricity or for the purpose of telephonic or telegraphic communication necessary for the proper coordination of the works.

The above authorization is subject to compliance by the Powergrid to the requirements of the provisions of the Electricity Act, 2003 and the rules made thereunder.
