Undertaking by User Agency on Compliance to the conditions of the Stage – I Clearance

I B.Srinivas S/o B. Krishna Murthy aged 57 years Director of M/s Meenakshi Odisha Power Private Limited (Formerly M/s Sileru Power Generation Private Limited) having its registered office at Plot No.119, Road No.10, Jubilee Hills, Hyderabad – 500 033 hereby submit these undertakings and compliance to the conditions of the Stage – I forest clearance on behalf of the Company as below:

S. No.	Description of the conditions of Stage – I Clearance	Compliance/ Undertaking
1	Legal status of forest land proposed for diversion shall remain unchanged	Noted and we do hereby undertake that the Legal status of the forest land proposed for diversion shall remain unchanged.
2	Compensatory afforestation shall be taken up by the Forest Department over 5.060 ha non-forest private land identified in Khata No.326/506 & 326/529 of village Benasur under Borigumma Tahasil of Koraput District at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided	The Compensatory afforestation shall be taken up by the DFO, Jeypore Forest division, Jeypore. Approved Compensatory Afforestation cost of Rs.24, 90,200/- has been remitted in the Adhoc CAMPA and a Scorpio Vehicle costing towards Infrastructure for monitoring of Compensatory afforestation has been provided by the User Agency.
3	The non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of Stage-II approval	The non – forest land identified for raising compensatory afforestation is transferred and mutated in favour of the State Forest Department. A copy of the ROR in favour of the State Forest Department is enclosed herewith as Annexure – I for your reference.
4	The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and at the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated	Approved Compensatory Afforestation cost of Rs.24, 90,200/- has been remitted in the Adhoc CAMPA and a Scorpio Vehicle towards Infrastructure for monitoring of Compensatory Afforestation has been provided by

Limitations as to use: The Policy covers use of the vehicle for any purpose other than a) Fire or Reward b) Carriage of goods (other than samples or personal luggage) c) Organized racing d) Race making e) Speed testing f) Reliability Trials g) Any purpose in connection with Motor Trade

Driver's Clause: Any person including the insured: Provided that the person driving holds an effective driving license at the time of the accident and is not disqualified from holding or obtaining such license. Provided also that the person holding an effective learner's license may also drive the vehicle & that such a person satisfies the requirements of Rule 3 of the Central Motor Vehicle Rules, 1989.

Grievance Clause: For resolution of any query or grievance, Insured may contact the respective branch office of the company or may call at or may write an email at. In case the insured is not satisfied with the response of the office, insured may contact the Grievance Officer of the Company at. In the event of unsatisfactory response from the Grievance Office, he/she may, subject to vested jurisdiction, approach the Insurance Ombudsman for the redressal of grievance. Details of Insurance Ombudsman offices are available at IRDAI website www.irdai.gov.in, or on the website of General Insurance Council: www.gicouncil.in or on the company website www.tataaiginsurance.in.

The Policy wording is available on request at free of cost. The Same can be downloaded from our Website www.tataaiginsurance.in.

Important Notice: The insured is not indemnified, if the vehicle is used or driven otherwise than in accordance with this Schedule. Any payment made by the Company by reason of wider terms appearing in the Certificate in order to comply with the Motor Vehicle Act, 1988 is recoverable from the insured. See the clause headed "AVOIDANCE OF CERTAIN TERMS AND RIGHT OF RECOVERY". For legal interpretation, English version will hold good.

I/we hereby certify that the Policy to which this Certificate relates as well as this Certificate of Insurance are issued in accordance with the provisions of Chapter X and Chapter XI of Motor Vehicle Act, 1988

(For Project other than linear projects)

Government of Odisha

Office of the District Collector, Koraput

No. 3959/17

Date: 30/11/2017

TO WHOMSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's Letter No. 11-9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (FRA short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 4.902 hectares of forest land proposed to be diverted in favour of the Director, Meenakshi Odisha Power (P) Limited, (Formerly Sileru Power Generation(P) Limited, Tentuligumma under Boipariguda Tahsil, for setting up of 25 MW Saheed Lakhon Nayak Small Hydro Electric Project near Tentuligumma village on river Kolab Koraput District falls within jurisdiction of Khata No. 72, Plot no. 21, 23,24,25,26,422,783 & 784 of Tentuligumma Village in Block /Tahasil : Boipariguda, Dist. Koraput.

It is further certified that:

1. The complete process for identification and settlement of rights under the FRA has been carried out for the entire 4.902 hectares of forest land proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee Gram Sabha, Sub-Divisional Level Committee and the District Level Committee are enclosed as annexure A, B & C.
2. The proposal for such diversion (with full details of the project and its implications, in vernacular / local language) have been placed before each concerned Gram Sabha of forest-dwellers, who are eligible under the FRA.
3. The each of concerned Gram Sabha has certified that all formalities/ processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion. A copy of certificate issued by the gram sabha of Tentuligumma village is enclosed as annexure A.
4. The discussion and decisions on such proposals had taken place only when there was a quorum of minimum 50% of the members of Gram Sabha present.
5. The diversion of forest land for facilities managed by the Government as required under section 3(2) of the FRA have been completed and the Grama Sabhas have given their consent to it.
6. The rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3(1)(e) of the FRA.

Encl: As above.

Plot No.119, Road No.10,
Jubilee Hills, Hyderabad
Andhra Pradesh-33

Sub: Shaheed Lakhman Nayak SHEP, District Koraput, Orissa by Meenakshi Odisha Power Private Limited- reg. Terms of Reference

Sir,

This has reference to your online Proposal No. IA/OR/RIV/140749/2020, and letter No.MOPPL/SLNSHEP/EC/TOR/0402/19-20 dated 04.02.2020 submitted to the Ministry for grant of fresh ToR to the project cited in the subject.

2. The above referred proposal was considered by the Expert Appraisal Committee (EAC) for River Valley & Hydroelectric projects in its 31st meeting held on 05.03.2020. The comments and observations of EAC on the project may be seen in the Minutes of the meeting which are available on the web-site of this Ministry.

3. Above proposal is for setting up of Shaheed Lakhman Nayak Small Hydroelectric project of Capacity 25 MW by M/s Meenakshi Odisha Power Pvt. Ltd. located at Tentuligumma Village, Koraput District of Odisha. The Environment Clearance (EC) of Shaheed Lakhman Nayak Small Hydro-electric Project (25 MW) was earlier issued by MoEF&CC vide Letter No.J-12011/3/2007-IA.I dated 23rd April, 2007. However, construction could not be started due to pending forest clearance to the proposed project. As the maximum period of validity of EC i.e. 13 years is expiring on 22nd April, 2020, a fresh TOR is requested from MoEF&CC.

4. The project is designed with the gated weir crest level at EL 329.33m and radial crest gates for 9.67m height are provided to achieve a Full Reservoir Level of 339m. The gated weir is designed with a spillway of 123m and maximum flood level of EL 340m such that the estimated project flood of 8200 cumec is contained within the MFL of the river course. The gated weir is provided with 7 radial gates of 15 m wide x 9.67m height and one stop log gate of 15x9.67m for discharge regulation and flood control. Water would be diverted for the power generation through an intake channel, one set of gate provided at the inlet of tunnel to draw required

discharge from river, headrace tunnel and surge shaft. Separate penstocks are provided for each unit from the surge shaft with one set of gates at the exit of surge shaft for penstocks. A butterfly Valve for control of flow to the turbine is also provided. The powerhouse is located on the right side in a gently sloping terrain after the second fall at about 300m downstream of the weir. The water is let out back into the river after power generation through a tailrace channel of 50 m long.

5. Total land requirement for the project is worked out to be 4.902 ha. There is no private land requirement and project will be constructed on 4.902 ha of forestland. Forest and Environment Department, Government of Odisha vide letter dated 05.04.2017 requested the PCCF, Odisha to comply with the deficiencies observed in the proposal for forest diversion including letter of Energy Department accepting change of name of Company. The Energy department, Govt. of Odisha approved the name change of the Company vide letter No. ENG-HYD-HYDRO-0036-2019/9918 dated 21/11/2019. The acceptance letter approving the name change of the company has been submitted to the F&E department, Govt. of Odisha with a request to expedite the grant of forest clearance.

6. The project is located near Tentuligumma village Koraput district, Odisha. The project is planned on Kolab river without involving any submergence or pondage; by utilizing the flowing water in a run of the river scheme. The project will generate renewable energy to the tune of 90 million units in 90% dependable year. The cost of the project works out to Rs.17835.05 lakhs without IDC and Rs.19823.00 lakhs with IDC. The average tariff proposed for first 12 years period is Rs.4.28 per kWh and next 13-30 years is Rs.3.01 per kWh. The average tariff for 30 years period works out Rs.4.05 per kWh.

7. The above proposal was appraised by the EAC in 31st meeting held on 05.03.2020. EAC in the 31st meeting deliberated on the information submitted (Form 1, PFR, .kml file, etc.) and observed that EC was granted to this project on 23.04.2007 and works on the project were initiated during 2008-09 and so far, an expenditure of Rs 16.34 crores has been incurred and validity of the EC for maximum 13years is getting over on 22.04.2020. The Project Proponent, therefore, applied for fresh ToR (*de-novo*). EAC further observed that as per the DSS of the .kml file submitted by the Project Proponent, Kanger Valley Wildlife Sanctuary (Chhattisgarh State) was found located at a distance of 1.09 km from the instant project, therefore, General Condition is applicable to the instant project which makes this project qualifies for appraisal by the EAC as Category A project. EAC also deliberated on the request for exemption of collection of base line data and Public Hearing. EAC after detailed deliberation on the information submitted and as presented, recommended for grant of Standard ToR to the proposed project with the Additional ToRs.

8. Based on recommendations of the EAC, the Ministry of Environment, Forest & Climate Change hereby accords a fresh Terms of Reference (TOR) as per the **Standard ToR (Hydro projects)** for activities at the proposed site as per the provisions of the Environmental Impact Assessment Notification, 2006 and as amended time to time along with the following **additional ToRs** for preparation of EIA/EMP report:

Standard ToR

The EIA/EMP report should contain the information in accordance with provisions & stipulations as given in the **Standard ToR for hydro projects** at <http://environmentclearance.nic.in/writereaddata/standardtorreference.pdf>.

Additional ToR

- i. Land acquired for the project shall be suitably compensated in accordance with the law of the land with the prevailing guidelines. Private land shall be acquired as per provisions of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.
- ii. The project involves diversion of about 4.902 ha of forestland. Forest clearance shall be obtained as per the prevailing norms of Forest (Conservation) Act, 1980.
- iii. Application to obtain prior approval of Central Government under the Forest (Conservation) Act, 1980 for diversion of forest land required, if not submitted, should be submitted as soon as the actual extent of forest land required for the project is known, and in any case, within six months of issuance of this letter.
- iv. Fresh Baseline data for two seasons (Pre monsoon and Monsoon) shall be collected for preparation of EIA/EMP report. Baseline data and public consultation shall not be older than 3 years, at the time of submission of the proposal, for grant of Environmental Clearance.
- v. Funds allocation for Corporate Environment Responsibility (CER) shall be made as per O.M. No. 22-65/2017-IA.III dated 01.05.2018 for various activities therein.
- vi. The details of funds allocation and activities for CER shall be incorporated in EIA/EMP report.
- vii. The EIA report should clearly mention activity wise EMP and CER cost details and should earmarked clear break-up of the capital and recurring cost along with the timeline for incurring the capital cost.
- viii. Consolidated EIA/EMP report is to be submitted as per the generic structure (Appendix III & IIIA) given in the EIA Notification, 2006.
- ix. Conservation plan for the Scheduled I species, if any, in the project study area shall be prepared and submitted to the Competent Authority for approval.
- x. Pre-DPR Chapters viz., Hydrology and Layout Map and Power Potential Studies duly approved by CWC/CEA shall be submitted.
- xi. Environmental matrix during construction and operational phase needs to be submitted.
- xii. Both capital and recurring expenditure under EMP shall be submitted.

- xiii. As Kanger Valley Wildlife Sanctuary (Chhattisgarh State) is located a distance of 1.09 km from the instant project, copy of application submitted for NBWL clearance shall be submitted.
- xiv. Impact of developmental activity/project on the wildlife habitat of Kanger Valley Wildlife Sanctuary shall be studied.
- xv. Declaration by way of affidavit that there will be no submergence in the territory of the other adjoining States because of the proposed project.
- xvi. The consultant engaged for preparation of EIA/EMP report has to be registered with Quality Council of India (QCI/ NABET) under the scheme of Accreditation & Registration of MoEF& CC. This is a pre-requisite.
- xvii. Consultant shall include a "Certificate" in EIA/EMP report regarding portion of EIA/EMP prepared by them and data provided by other organization(s)/ laboratories including status of approval of such laboratories. Declaration by the Consultant that information submitted in the EIA/EMP is factually correct and shall be submitted along with EIA/EMP reports.
- xviii. An undertaking as part of the EIA report from Project proponent, owning the contents (information and data) of the EIA report with the declaration about the contents of the EIA report pertaining to a project have not been copied from other EIA reports.
- xix. The draft EIA/EMP report prepared as per the Generic Structure (Appendix III of EIA Notification, 2006) incorporating information as per the Standard and Additional ToR, should be submitted to the State Pollution Control Board concerned for conducting Public Consultation, district wise, as per the provisions stipulated in EIA Notification, 2006. Public Hearing, which is a part of Public Consultation, shall be held district wise at the site or in its close proximity as prescribed in Appendix (IV) of EIA Notification, 2006. The draft EIA/EMP report is to be submitted to SPCB sufficient before the expiry of the ToR validity so that necessary amendments in EIA/EMP can be undertaken based on public hearing and the same is to be submitted to MoEF&CC before expiry of validity.
- xx. All the tasks including conducting public hearing shall be done as per the provisions of EIA Notification, 2006 and as amended from time to time. Public hearing issues raised and compliance of the same shall be incorporated in the EIA/EMP report in the relevant chapter. Final EIA/EMP report should be submitted to the Ministry for Environmental Clearance only after incorporating these issues, before the expiry of validity of ToR.
- xxi. As per Ministry's Notification dated 17.02.2020, the ToR will remain valid for a period of 5 years from the date of issue of this letter for submission of EIA/EMP report along with public consultation. The ToR will stand lapsed after completion of 5 years in case final EIA/EMP is not submitted.
- xxii. In case of any change in the scope of the project such as capacity enhancement, change in submergence, etc., fresh scoping clearance has to be obtained.
- xxiii. The PP should submit a copy of TEC of the DPR along with EIA/EMP report.

- xxiv. Details of the name and number of posts to be engaged by the project proponent for implementation and monitoring of environmental parameters be specified in the EIA report.
- xxv. The EIA/ EMP report must contain an Index showing details of compliance of all ToR conditions. The Index will comprise of page No. etc., vide which compliance of a specific ToR is available. It may be noted that without this index, EIA/ EMP report will not be accepted.
- xxvi. The PP should complete all the tasks as per the provisions of EIA Notification, 2006 and as amended time to time) and submit the application for final clearance within the stipulated time.
- xxvii. Appropriate Biodiversity Conservation and Management plan for the Native, Rare & Endangered floral and faunal species getting affected due to the project shall be prepared.

This has approval of the Competent Authority.

Yours faithfully,

(Dr. S. Kerketta)
Director

To
The District Magistrate & Collector,
Koraput.

Sub: Public hearing proposed by M/s Meenakshi Odisha Power Pvt. Ltd. for setting up of Shaheed Lakhan Nayak Small Hydroelectric Power Project capacity of 25 MW located at Tentuligumma village in the district of Koraput. - regarding.

Sir/Madam,

This is to intimate that M/s Meenakshi Odisha Power Pvt. Ltd. has proposed to have environmental assessment for setting up of Shaheed Lakhan Nayak Small Hydroelectric Power Project capacity of 25 MW located at Tentuligumma village in the district of Koraput. The project proponent has applied to the State Pollution Control Board for public hearing for this proposal. Copies of the draft EIA/EMP report along with executive summaries (in English & Odia) of the proposed project are enclosed for your kind reference. The Ministry of Environment, Forest & Climate Change, Govt. of India has issued Notification on Environmental Impact Assessment on 14th September 2006 and its various amendments. The Said notification stipulates that a public hearing at the site or its close proximity - district wise, to be carried out in the manner prescribed in Appendix IV, for ascertaining concerns of local affected persons. The EIA Notification, 2006 also stipulates that District Magistrate/ District Collector/ Deputy Commissioner or his/her representative not below the rank of an Additional District Magistrate assisted by representative of SPC Board shall supervise and preside over the entire public hearing process.

Further, it is reiterated that the conduct of public hearing is a time bound programme and date of public hearing is to be notified through newspaper giving at least 30 days time.

The MoEF&CC, Govt. of India has issued guidelines vide OM No.22-25-IA.III, dated 14.09.2020 for conducting public hearing during the Covid-19 pandemic restrictions. Copy of the same is enclosed for reference.

Under the above circumstances, I would request you to suggest a date, time and venue for conducting public hearing as per above guidelines of MoEF&CC, Govt. of India through Email: paribesh1@ospcboard.org with at least 40 days in advance.

- Encl: 1. Copies of draft EIA report and Executive Summaries
2. Guidelines of MoEF&CC, Govt. of India.

Yours faithfully,

MEMBER SECRETARY
