OFFICE MEMORANDUM

Sub.: Implementation of Delhi-Ghaziabad-Meerut corridor of Regional Rapid Transit System (RRTS).

I am directed to refer to OM No 14011/17/2017-MRTS-I dated 3<sup>rd</sup> July, 2018 regarding above mentioned subject. The DPR and PIB memorandum of Delhi-Ghaziabad-Meerut corridor were examined in the Ministry and our observations are as under:

2. The EIA Notification, 2006 and its amendments under the Environment (Protection) Act, 1986 provides for requirement of prior environmental clearance (EC) to the projects/activities listed in the schedule to the Notification from the concerned regulatory authority.
3. CRZ Notification, 2011 provides for regulation of various activities in coastal areas. In case, the proposed facility is proposed in CRZ area and identified as permissible activity, the project would attract the provisions of the CRZ Notification, 2011, and thus needs prior examination by the State Coastal Zone Management Authority.
4. The proposal, if involves diversion of forest land, would require the forest clearance under the Forest (Conservation) Act, 1980.
5. Further, in case of project/activity (or even part of it) falling within the eco-sensitive zone around the National Park or the Wild Life Sanctuary, shall require clearance under the Wildlife (Protection) Act, 1972 also. Both these Acts are administered by this Ministry.
6. With the above observations, this Ministry supports the proposal.
7. This issues with approval of Competent Authority.
