	State through online portal. The scheme may include appropriate for anticipated cost increase for works scheduled for subsequent years		Copy of payment intimation attached at Annex-I
6	All the funds received from the user agency under the project shall be transferred/deposited to CAMPA account only through e-portal (https://parivesh.nic.in/)	Shall be uploaded after making payments	All payments were made to CAMPA account
7	The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/)	Shall be uploaded	Being uploaded
8	The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the District Collector	ROFR certificate (original) issued by DC/Mamit is attached at Annexure-III	Submitted
9	The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcated on ground at the project cost, by erecting four feet high reinforcement cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates	Shall be demarcated after handing over of the forest land	Fund towards erection of boundary pillars made on 11.11.2021. Copy of payment intimation attached at Annex-II
10	Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-Fc dated 28.03.2019	-	-
11	The cost of felling of trees shall be deposited by the User Agency with the State Forest Department	Will be paid to State Forest Department after receipt of demand note	Payment made on 07.04.2021 & 29.04.2021. Copy of payment intimation attached at Annex-I
12	State Govt to submit the current detail status of Bairabi and West Phaileng transmission line to Integrated Regional Office, Shillong within a month time	Not applicable	Submitted by State Govt. on 26.03.2021
13	The following recommendation of 58th Meeting of Standing committee of National Board for Wildlife shall be complied with:- A. Conditions imposed by the NTCA	1. Height clearance from ground will be maintained as stated by NTCA and as per	Payment towards eco-restoration, prey augmentation, etc made on

	<p>(1) Since Dampa is an elephant landscape, height above the ground at the lowest point of the lowest conductor or grounding wire (i.e. at maximum sag point) of power lines (for avoiding reach of elephants even with raised trunk) should be:</p> <p>(a) A minimum of 10 m above on level terrain (slope < 20 degrees)</p> <p>(b) A minimum of 15 m above ground on steeper terrain (slope > 20 degrees).</p> <p>(2) All power lines within 3 km of forest and important wild life areas across its entire length in between West Phaileng and Marpara should be marked with appropriate bird diverters spaced at 10 m intervals. The bird diverters shall be regularly checked and maintained by the power company.</p> <p>(3) No construction / maintenance work shall be permitted within forest and wild life areas in between 6:00 pm to 7:00 am intervals. Labour camps should be at least 1 km away from the boundaries of Dampa Tiger Reserve. No construction materials (including soil stones etc.) should be collected from the forest</p> <p>(4) The user agency shall deposit a portion of the total cost to Mizoram Forest Department which shall be decided by the Department. The Forest Department should utilize this money for eco-restoration, prey augmentation, reducing public dependence on forest and promoting traditional local livelihoods in Dampa Tiger Reserve</p> <p>(5) The Chief Wildlife Warden, Mizoram State should constitute a monitoring committee comprising of members from local forest officials, NTCA regional office and user agency to oversee the implementation of the project in</p>	<p>wildlife mitigation as stated by NTCA and as per wildlife mitigation plan (tower no. AP 51 to AP 59, near Saithah village)</p> <p>2. Bird diverters shall be placed at 10 m intervals at the areas as per the proposed wildlife mitigation plan i.e., from tower no. AP 37 to AP 72 (in between Lallen to Phulpui)</p> <p>Other points shall also be strictly complied while doing the construction activities after getting the demand note. For arriving the amount, details of project cost is enclosed at Annexure-IV</p> <p>Committee has been constituted vide notification No.G.20015/3/2019-FST dated 14.09.2020. Copy enclosed at Annexure-V</p>	<p>07.04.2021. Payment intimation attached at Annex-I.</p> <p>Compliance towards NBWL meeting attached at Annex-III.</p>
--	--	--	--

	<p>compliance to the mitigation measures suggested above</p> <p>B. The annual compliance certificate on the stipulated conditions should be submitted by the project proponent to the State Chief Wild life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Govt. of India.</p>

Action taken against recommendations by Standing Committee of NBWL is given below:-

Sl. no.	Recommendations by Standing Committee of NBWL	Action taken
1	Since Dampa is an elephant landscape, height above the ground at the lowest point of the lowest conductor or grounding wire (i.e. at maximum sag point) of power lines (for avoiding reach of elephants even with raised trunk) should be:- (a) A minimum of 10 m above or level terrain (slope < 20 degrees) (b) A minimum of 15 m above ground on steeper terrain (slope > 20 degrees).	Height clearance from ground will be kept at 16.3 m as per wildlife mitigation plan (tower no. AP 51 to AP 59, near Saithah village). Mitigation plan is also attached.
2	All power lines within 3 km of forest and important wild life areas across its entire length in between West Phaileng and Marpara should be marked with appropriate bird diverters spaced at 10 m intervals. The bird diverters shall be regularly checked and maintained by the power company.	Bird diverters shall be placed at 10 m intervals at the areas as per the proposed wildlife mitigation plan (copy attached) i.e., from tower no. AP 37 to AP 72 (in between Lallen and Phulpui)

This is for kind information please.

Thanking you.

Yours faithfully,

(Signature) 19/10/2021

Subj: Compliance report on the recommended by Standing Committee of National Board for Wildlife (NBWL) for Construction of 132 KV from W.Phaileng – Marpara Transmission Line under NERPSIP Scheme – regd.

Sir,

The Standing Committee of National Board for Wildlife (SCNBWL) had recommended the proposal for use of 104.77 ha for Construction of 132 KV from W.Phaileng – Marpara Transmission Line under NERPSIP Scheme under certain conditions. In view of the same information on compliant action in respect of the following is required from your end urgently:-

- 1 Since Dampa is an elephant landscape, height above the ground at the lowest point of the lowest conductor or grounding wire (i.e at maximum sag point) of power lines (for avoiding reach of elephants even with raised trunk) should be :
 - (a) A minimum of 10 m above or level terrain (slope < 20 degrees)
 - (b) A minimum of 15 m above ground on steeper terrain (slope > 20 degrees)
2. All power lines within 3 km of forest and important wild life areas across its entire length in between West Phaileng and Marpara should be marked with appropriate bird diverters spaced at 10 m intervals. The bird diverters shall be regularly checked and maintained by the power company.

You are requested to send a report on the compliant action in respect of the above urgently.

Yours faithfully,

(R.S. SINHA)

Sub: Proposal for diversion of 104.77 ha of forest land in DAMPA Tiger Reserve (Buffer Zone) for construction of 132 KV S/C (on D/C Tower) West Phaileng to Marpara Transmission Line under NERSIP Scheme Mizoram.

Sir,

I am directed to refer to the Government of Mizoram No.G.20015/3/2019-FSI dated 19th June, 2020 and No. For.50/2016/580 dated 08.12.2020 on the above subject seeking prior approval for the Central Government under Section 2 of the FCA, 1980 and to say that the proposal has been examined by the Regional Empowered Committee constituted by Central Government under Section 3 of aforesaid Act.

2. After careful examination of the proposal of the State Govt and on the basis of the recommendations of Regional Empowered Committee "In Principle Approval/Stage- I" clearance of the Central Government is hereby granted for diversion of 104.77 ha of forest land in DAMPA Tiger Reserve (Buffer Zone) for construction of 132 KV S/C (on D/C Tower) West Phaileng to Marpara Transmission Line under NERSIP Scheme, Mizoram subject to the following conditions:

A. Conditions which need to be complied prior to handing over of forest land by the State Forest Department.

1. Legal status of the forest land shall remain unchanged.
2. Forest land will be handed over only after required non-forest land for the project is handed over by the user agency.
3. The user agency shall transfer, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28/03/2008, 24/04/2008 and 09/05/2008 in Writ petition (Civil) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal into CAMPA account of the State concerned.
4. The land identified for the purpose of CA shall be clearly depicted on Survey of India toposheet of 1: 50000 scale;

5. The user agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate for anticipated cost increase for works scheduled for subsequent years;
6. All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA account only through *e-portal* (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
7. The compliance report shall be uploaded on *e-portal* (<https://parivesh.nic.in/>).
8. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the District Collector;
9. The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from the pillar to pillar and GPS co-ordinates;
10. Violation of any of these conditions will amount to violation of Forest(Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest(Conservation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-Fo dated 28.03.2019.
11. The cost of felling of trees shall be deposited by the User Agency with the State Forest Department. ✓
12. State Govt to submit the current detail status of Bairabi and West Phaileng transmission line to Integrated Regional Office, Shillong within a month time. ✓
13. The following recommendation of 58nd Meeting of Standing committee of National Board for Wildlife shall be complied with:-
 - A. Conditions imposed by the NTCA
 - (1) Since Dampa is an elephant landscape, height above the ground at the lowest point of the lowest conductor or grounding wire (i.e. at maximum sag point) of power lines (for avoiding reach of elephants even with raised trunk) should be:
 - (a) A minimum of 10 m above on level terrain (slope < 20 degrees)
 - (b) A minimum of 15 m above ground on steeper terrain (slope >20 degrees)
 - (2) All power lines within 3 KM of forest and important wildlife areas across its entire length in between West Phaileng and Marpaara should be marked with appropriate bird diverters spaced at 10 m intervals. The bird diverters should be regularly checked and maintained by power company.
 - (3) No construction / maintenance work shall be permitted within forest and wild life areas in between 6.0 PM to 7.00 AM. Labour camps should be at least 1.0 KM away from the boundaries of Dampa Tiger reserve. No construction materials (including soil stones, etc.,) should be collected from the forest.
 - (4) The user agency shall deposit a portion of the total cost to Mizoram Forest Department which shall be decided by the Department. The Forest Department should utilize this money for eco-restoration, prey augmentation, reducing public dependence on forest and promoting traditional local livelihoods in Dampa Tiger Reserve.
 - (5) The Chief Wildlife Warden, Mizoram State should constitute a monitoring committee comprising of members from local forest officials, NTCA regional office and user

agency to oversee the implementation of the project in compliance to the mitigation measures suggested above.

- (B) The annual compliance certificate on the stipulated conditions should be submitted by the project proponent to the State Chief Wild life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Govt of India. ✓

B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval:

1. Legal status of the diverted forest land shall remain unchanged;
2. Compensatory Afforestation shall be raised over double the degraded forest area of 213 ha identified in Compartment No.1, Saithah Forest Range, West Phaileng Beat below Kawnmawi village inside the notified RF of Teirei RRF under West Phaileng Beat in Mamit Forest Division within three years from the date of Stage -II Clearance and maintained thereafter by the State Forest Department at the cost of the User Agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
3. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
4. At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
5. The user agency at its cost shall provide bird deflectors, which are to be fixed on upper conductor of transmission line at suitable intervals to avoid bird hits.
6. The User Agency shall comply with the guidelines for laying transmission lines through forest areas issued by Ministry vide letter no. 7-25/2012-FC dated 05/05/2014 & 19/11/2014.
7. Period of diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease granted under the Mines and Minerals (Development and Regulation) Act, 1957, as amended and the Rules framed there-under;
8. The User Agency shall obtain the Environment Clearance as per the provisions of Environment (Protection) Act, 1986, if required;
9. No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
10. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
11. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;
12. No damage to the flora and fauna of the adjoining area shall be caused;
13. The layout plan of the mining plan/ proposal shall not be changed without the prior approval of the Central Government;

14. The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures, to ensure that there is no adverse impact on the forests in the surrounding area.
15. The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;
16. The User Agency shall submit the annual self-compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year; and
17. The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
18. As per Ministry's letter No 11-30/96-FC(Pt) dt 14.9.2001, if the compliance of stipulated conditions is awaited from the State Govt for more than 5(five) years, the in-principle approval would be summarily revoked considering that the user agency is no longer interested in the project.
19. All other clearance/NOCs under different applicable rules/regulations /local laws and under Forest Dwellers (Recognition of Forest Rights) Act, 2006 as required vide MoEF, New Delhi guideline No.11-9/1998-FC(pt) dated 03.08.2009 shall be complied with.
20. As per Ministry's letter No 11-30/96-FC(Pt) dt 14.9.2001, if the compliance of stipulated conditions is awaited from the State Govt for more than 5(five) years, the in-principle approval would be summarily be revoked considering that the user agency is no longer interested in the project.

**GOVERNMENT OF MIZORAM
OFFICE OF THE DEPUTY COMMISSIONER
MAMIT DISTRICT : MAMIT**

No.L.20011/3/2016-DC(M)/Estt/

:

Dated, Mamit the 29th June, 2020.

TO WHOMSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No.11-9/98-FC (pt) dated 3rd August, 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest right) Act, 2006 ('FRA' for short) on the forest land proposed to be diverted for non-forest purposes read with the MoEF's letter dated 5th February, 2013 wherein MoEF issued certain relaxation in respect of linear projects, it is certified that **104.77 hectare (Dampa Tiger reserve forest (buffer zone))** of forest land proposed to be diverted in favor of **Power Grid Cooperation of India Limited (A Government of India Enterprise) for construction of 132 kV s/C (on D/C tower) W.Phaileng to Marpara Transmission line in Mamit District falls within jurisdiction of West Phaileng to Marpara village (s) in Mamit tehsils.**

It is further certified that:

- a) The completed process for identification and settlement of rights under the FRA has been carried out for the entire 104.77 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Gram Sabha(s) Committee are enclosed as Annexure I to Annexure VI.
- b) The diversion of forest land for facilities managed by the Government as required under section 3(2) of the FRA have been completed and the Gram Sabha(s) have given their consent to it;
- c) The proposal does not involve recognized right of Primitive Tribal Groups and Pre-agricultural communities.

Ref: NERPSIP/Aizawl/F-124/2020/780

Dated: 03.08.2020

To

The Chief Wild Life Warden
Environment, Forests & Climate Change Dept.
Government of Mizoram
Aizawl, Mizoram

Sub: Submission of 132 kV transmission line cost under DTR Buffer area - Minutes of 58th Meeting of the Standing Committee of National Board of Wild Life held on 3rd July 2020- reg

Proposal ref: FP/MZ/TRANS/39315/2019

Sir,

Regarding the subject cited above, clause no. 58.4.7, point A sub no 4 of the Minutes of 58th Meeting of the Standing Committee of NBWL in connection to proposal for use of 104.77 ha forest land in buffer area of DTR for construction of 132 kV West Phaileng – Marpara Transmission Line under NERPSIP scheme is quoted below-

"The user agency shall deposit a proportion of the total cost to Mizoram Forest Department which shall be decided by the Department. The Forest Department should utilize this money for eco-restoration, prey augmentation, reducing public dependence on forest and promoting traditional local livelihoods in Dampa Tiger reserve."

Project cost of the transmission line falling under Buffer Zone of Dampa Tiger Reserve as per contract price is given as under -

Sl. no.	Description	Amount
1	Material costs	
2	Transportation & Insurance charges	₹12,51,95,865.00
3	Service charges (Foundation works, erection of towers, stringing of conductors etc.)	₹1,02,25,859.00
		₹8,23,30,294.00
	Total	₹21,77,52,018.00

This is for your kind information and necessary reference at your end please.

Thanking you,

Yours faithfully,
