**A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.**

SL No	Compliance Required by Forest Department	Compliance Status
i.	The user agency shall transfer online, the Net Present Value (NPV) of 10.58 ha forest land being diverted under their proposal, as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5.3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal in CAMPA account of the State concerned.	Paid an amount of 66,23,080.00 vide UTR no BKIDH21089667481 dated 30 March 2021
ii.	The Identified non-forest land of 10.58 ha for raising compensatory afforestation shall be transferred and mutated in the name of Forest Department and notified as RF/PF prior to Stage-II approval.	Request letter for the same has been written to DM, Khorda for doing the needful vide letter no AIIMSBBBSRRT/40 dated 18 Feb 2021 As ANNEXED
iii.	The land identified for the purpose of Compensatory Afforestation shall be clearly depicted on a Survey of India Topo sheet of 1:50,000 scale.	Done & VETTED by ORSAC was submitted in the original proposal
iv.	The user agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The Scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.	Paid an amount of 40,37,900.00 vide UTR no BKIDH21089667481 dated 30 March 2021
v.	All the funds received from the user agency under the project shall be transferred deposited in CAMPA account only through e-portal ( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> ). Amount deposited through other mode will not be accepted as compliance of the State-I clearance.	Total amount of 1,06,00,000.00 vide UTR no BKIDH21089667481 dated 30 March 2021
vi.	The cost of felling of trees shall be deposited by the user agency with the State Forest Department.	Yes
vii.	The compliance report of the Stage -I approval shall be uploaded on e-portal( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> ) .	Yes, Complied

viii.	The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.	Yes, Complied
ix.	The boundary of proposed forest land for diversion, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar and GPS co-ordinaters.	Already done
x.	Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in Para 1.21 of Chapter 1 of the Hand book of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by the Ministry's letter No.-2/2017-FC dated 28.03.2019.	No violation

**B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage -II approval.**

SL No	Compliance Required by Forest Department	Compliance Status
i.	Legal status of forest land proposed for diversion shall remain unchanged.	Ok
ii.	Compensatory afforestation shall be raised over 10.58 ha non-forest land identified in Village Badasireipur-Dorabad under Banapur Tehsil under Khurda Forest Division within three years from the date of Stage-II Clearance and maintained thereafter by the State Forest Department at the cost of user agency and at least 1000 plants per hectare shall be planted over identified non-forest land within three years of grant of final approval. If it is not possible to plant so many saplings in the area identified for C.A. the balance saplings will be planted in any other forests as per prescription of approved working plan with provision for ten years on subsequent maintenance.	Yes, complied
iii.	At the time of payment of Net Present Value (NPV) at the ten-prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of Hon'ble Supreme Court of India.	Already given the undertaking with the project proposal.
iv.	The user agency shall limit the construction of buildings over 6.28 ha of forest land and increase for Greenery activities from 1.28 ha to 2.28 ha of forest land.	Yes
v.	The user agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.	Yes
vi.	No labour camp shall be established on the forest land and the user agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.	Yes
vii.	No additional or new path will be constructed inside the forest area for any activity related to the project work.	Yes
viii.	The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.	Yes
ix.	The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forest & Climate Change.	Yes
x.	The forest land shall not be used for any purpose other than that specified in the proposal.	Yes
xi.	The forest land proposed to be diverted shall under no circumstances be transferred to any other user agency, department of person without prior approval of Ministry of Environment, Forest & Climate Change.	Yes
xii.	No damage to the flora and fauna of the adjoining area shall be caused.	Yes
xiii.	The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.	Yes
xiv.	The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.	Yes

xv.	The period of diversion under this approval shall be co-terminus with the period of lease granted in favour of user agency or the project life, whichever is less.	Yes
Xvi.	The user agency shall submit annual self-monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and concerned Integrated Regional Office of this Ministry by the end of March every year.	Yes
xvii.	Any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.	Yes
xviii.	The State Government and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.	Yes

Sub:

Diversion of 10.58 ha. of Revenue Forest of Sijua village under Bhubaneswar Tahasil of Khordha Dist under City Forest Division Bhubaneswar for construction of Centre of Excellency namely Cardio - Thoracic and Vascular Surgery(CTVS), Oncology, Neuroscience, Nephrology by AIIMS.

Ref:

This office memo No.2457 dated 13.04.2021 and memo No.15287 dated 06.09.2021 of Conservator of Forests( Nodal) O/O the Pr.CCF, Odisha, Bhubaneswar .

Sir

In inviting kind reference to the above cited memo nos on the captioned subject, it is to inform you that due to revision of wage rate from Rs. 308/- MD to 311/- MD, the financial outlay of Compensatory Afforestation has been revised from Rs. 40,72,100/- to Rs. 40,94,400/- which is technically approved by the Conservator of Forests( Nodal) O/O the Pr.CCF, Odisha, Bhubaneswar .

As such it is requested to deposit the differential amount of Rs. 22,300/- ( 40,94,400 -40,72,100/- = 22,300/-) through the account of State CAMPA managed by the Ministry of Environment of Forests, immediately. Further you are requested to take immediate action to transfer 10.58 hecets. of non-forest land in favour of Forest and Environment Department in consultation with the concerned Tahasildar and Revenue Authorities .

After receipt of the above, the same shall be sent to the higher authorities for final approval.

Yours faithfully

Ref: Letter no 5291/4F (Misc) 330/2021 dated 14 Sept 2021, DFO, City Forest Division, Bhubaneswar & Letter no 5808/4F (Misc) 233/2019 dated 18 Sept 2021, DFO, Khordha Division, Khordha

Dear Sir/Madam,

This is to bring to your kind notices that we have paid the differential amount of Rs. 20,300.00 (Rupees Twenty Thousand Three Hundred Only) which was calculated because of the hike in wage rate from 308.00 to 311.00 as raised by your respective offices vide transfer reference BKISN21274230157 dated 01 Oct 2021.

Talked to Tehsildar, Banpur today morning and he informed that mutation of the CA land has already been done.

Therefore, I shall request each of your good offices to process our file further quickly for the Stage-II approval. AIIMS being service sector very important projects are lying pending since long from which the people of Odisha shall get the benefit.

Looking forward to get the help and support as before

Thanking you

Government of Odisha  
Office of the District Collector, Khordha

No. 1528

Date. 7/10/20

TO WHOMSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment & Forests (MoEF), Government of India's letter No. 11-9/98-FC (pt) dated 03<sup>rd</sup> August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated & completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights Act 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purpose. It is certified that AC 26.150 of forest land proposed to be diverted in favour of All India Institute of Medical Sciences (AIIMS) Bhubaneswar for expansion & development of public health facilities in Khordha District falls within jurisdiction of Sijua village in Bhubaneswar Tahasil.

It is further certified that:

- The complete process for identification and settlement of rights under FRA has been carried out for the entire AC 26.150 of forest land proposed for diversion. A copy of records of all consultations and meetings of the Gram Sabha (s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure-I to annexure-III.
- The proposal for such diversion (with full details of the project and its implications, in vernacular/local language have been placed before each concerned Gram Sabha of forest dwellers, who are eligible under the FRA.
- The each of the concerned Gram Sabha(s) has certified that all formalities/processes under the FRA have been carried out and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion.
- The discussion and decision on such proposals had taken place only when there was a quorum of minimum 50% of the members of Gram Sabha present.
- The diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it;
- The rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA..

Memo No.

Dated, BBSR, the

15285

19F(Misc)-370/2020

06<sup>th</sup> September, 2021

To  
The Divisional Forest Officer  
City Forest / Khurda Forest Division.

Sub: Diversion of 10.53 ha of Revenue forest land of Sijua village under Bhubaneswar Tahasil of Khurda District under City Forest Division, Bhubaneswar for construction of Centres of Excellence namely Cardio-thoracic & Vascular Surgery (CTVS), Oncology, Neuroscience, Nephrology by AIIMS.

Ref: This office Memo No.2013 dated 01.02.2021

With reference to this office memo on the captioned subject, it is to say that the financial outlay for CA Scheme over an area 10.58 ha of Govt. non-forest land identified in Badasoreipur village in Banapur Tahasil of Khurda district under Khurda Forest Division pertaining to the above project amounting to Rs.40,72,100/- (Rupees forty lakh seventy two thousand one hundred) only has been technically approved by Addl. PCCF (FD & NO, FC Act) at the wage rate of Rs.308/- Man day with 10 years maintenance. Due to revision of wage rate from Rs. 303/- MD to Rs. 311/- MD the above financial outlay of CA Scheme has been revised and technically approved by Addl. PCCF (FD & NO, FC Act) for Rs.40,94,400/- (forty lakh ninety four thousand four hundred) only. The copy of approved financial outlay of the above project is enclosed herewith for information and necessary action.

In view of the above, you are requested to raise the demand of differential amount of the compensatory levy on the user agency for payment through web portal of MoEF & CC and submit the deposit particular (in prescribed 12 point CAMPA format) of the amount paid alongwith full Stage-I compliance pertaining the above project.

This is urgent.

ANNEXURE - V

No. 21-263/2008-IA.III

Government of India

Ministry of Environment & Forests

204  
Paryavaran Bhawan,  
CGO Complex, Lodhi Road,  
New Delhi - 110 003.

Dated: 15<sup>th</sup> July, 2009.

Special Secretary (Gen. Admn.),  
Government of Orissa,  
Bhubaneswar.

Subject: Construction of Netaji Subhash Chandra Bose All India  
Institute of Medical Sciences at Village Sijua, District  
Khorda, near Bhubaneswar, Orissa by M/s. Special  
Secretary (Gen. Admn.), Govt. of Orissa, Bhubaneswar -  
Environmental Clearance - Reg.

Dear Sirs,

This has reference to the letter No. Z-29022/1/06-SSH (pt), dated  
02.05.2008 of Director, Ministry of Health & Family Welfare, Govt. of  
India and subsequent letters dated 13.10.2008, 14.11.2008 and  
03.06.2009 seeking prior Environmental Clearance for the above project  
under the EIA Notification, 2006. The proposal has been appraised as  
per prescribed procedure in the light of provisions under the EIA  
Notification, 2006 on the basis of the mandatory documents enclosed  
with the application viz., the Questionnaire, EIA, EMP and the additional  
clarifications furnished in response to the observations of the Expert  
Appraisal Committee constituted by the competent authority in its  
meetings held on 26<sup>th</sup> - 28<sup>th</sup> June 2008, 19<sup>th</sup> - 20<sup>th</sup> November, 2008 and  
18<sup>th</sup> - 19<sup>th</sup> June, 2009 and awarded "Silver" grading to the project.

2. It is, inter alia, noted that the proposal involves construction of a  
960 beds hospital including 50 private beds and medical college on a  
plot area of 40.5 ha. It is proposed to build only on 13.585 ha. in the  
first phase. The hospital complex will also include a cancer centre,  
teaching complex, auditorium, residential complex and public utility and  
infrastructure. The total water requirement is 1.52 MLD. Treated waste  
water to be used for flushing of toilets 600 KLD, AC cooling 600 KLD and  
horticulture purposes. During operation phase the total solid waste  
generation will be 1920 Kg/day. The waste will be treated and disposed  
as per the provisions of Bio-medical waste (Management and Handling  
Rules 1988). The power requirement is 1.241 MW. Total parking spaces  
proposed is for 875 cars, 10 taxi parking, 5 ambulance parking, 325 two  
wheeler parking and 200 cycle/cycle rickshaw parking. Total cost of the  
project is Rs. 289.65 Crores.

Shamul

203

The Expert Appraisal Committee, after due consideration of the documents submitted by the project proponent and additional information furnished in response to its observations, have recommended for the grant of Environmental Clearance for the project mentioned above. Accordingly, the Ministry hereby accord necessary Environmental Clearance for the above project as per the provisions of Environmental Impact Assessment Notification - 2006 and its subsequent amendments, subject to strict compliance of the terms and conditions as follows:

#### PART A - SPECIFIC CONDITIONS

##### I. Construction Phase

- (i) "Consent for Establishment" shall be obtained from Orissa Pollution Control Board under Air and Water Act and a copy shall be submitted to the Ministry before start of any construction work at the site.
- (ii) Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, crèche etc. The housing may be in the form of temporary structures to be removed after the completion of the project.
- (iii) A First Aid Room will be provided in the project both during construction and operation of the project.
- (iv) All the topsoil excavated during construction activities should be stored for use in horticulture/landscape development within the project site.
- (v) Disposal of muck during construction phase should not create any adverse effect on the neighbouring communities and be disposed taking the necessary precautions for general safety and health aspects of people, only in approved sites with the approval of competent authority.
- (vi) Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants.
- (vii) Construction spoils, including bituminous material and other hazardous materials, must not be allowed to contaminate watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.

*Shankar*

hazardous waste generated during construction phase, should be disposed off as per applicable rules and norms with necessary approvals of the Orissa Pollution Control Board.

The diesel generator sets to be used during construction phase should be low sulphur diesel type and should conform to Environment (Protection) Rules prescribed for air and noise emission standards.

- (i) The diesel required for operating DG sets shall be stored in underground tanks and if required, clearance from Chief Controller of Explosives shall be taken.
- (ii) Vehicles hired for bringing construction material to the site should be in good condition and should have a pollution-check certificate and should conform to applicable air and noise emission standards and should be operated only during non-peak hours.
- (iii) Ambient noise levels should conform to residential standards both during day and night. Incremental pollution loads on the ambient air and noise quality should be closely monitored during construction phase. Adequate measures should be made to reduce ambient air and noise level during construction phase, so as to conform to the stipulated standards by CPCB/OPCB.
- (iv) Fly ash should be used as building material in the construction as per the provisions of Fly Ash Notification of September, 1999 and amended as on 27<sup>th</sup> August, 2003. (The above condition is applicable only if the project site is located within the 100 Km of Thermal Power Stations).
- (v) Ready mixed concrete must be used in building construction.
- (vi) Storm water control and its re-use as per CGWB and BIS standards for various applications.
- (vii) Water demand during construction should be reduced by use of pre-mixed concrete, curing agents and other best practices referred.
- (viii) Permission to draw ground water shall be obtained from the competent Authority prior to construction/operation of the project.
- (ix) Separation of grey and black water should be done by the use of dual plumbing line for separation of grey and black water.

*Shankar*

- (xix) Fixtures for showers, toilet flushing and drinking should be of low flow either by use of aerators or pressure reducing devices or sensor based control.
- (xx) Use of glass may be reduced by upto 40% to reduce the electricity consumption and load on air-conditioning. If necessary, use high quality double glass with special reflective coating in windows.
- (xxi) Roof should meet prescriptive requirement as per Energy Conservation Building Code by using appropriate thermal insulation material to fulfill requirement.
- (xxii) Opaque wall should meet prescriptive requirement as per Energy Conservation Building Code which is proposed to be mandatory for all air-conditioned spaces while it is aspirational for non-air-conditioned spaces by use of appropriate thermal insulation material to fulfill requirement.
- (xxiii) The approval of the competent authority shall be obtained for structural safety of the buildings due to earthquake, adequacy of fire fighting equipments, etc. as per National Building Code including protection measures from lightening etc.
- (xxiv) Regular supervision of the above and other measures for monitoring should be in place all through the construction phase, so as to avoid disturbance to the surroundings.
- (xxv) Under the provisions of Environment (Protection) Act, 1986, legal action shall be initiated against the project proponent if it was found that construction of the project has been started without obtaining environmental clearance.

## II. Operation Phase

- i) The installation of the Sewage Treatment Plant (STP) should be certified by an independent expert and a report in this regard should be submitted to the Ministry before the project is commissioned for operation. Treated affluent emanating from STP shall be recycled/reused to the maximum extent possible. Treatment of 100% grey water by decentralised treatment should be done. Discharge of unused treated affluent shall conform to the norms and standards of the Orissa Pollution Control Board. Necessary measures should be made to mitigate the odour problem from STP.
- ii) The solid waste generated should be properly collected and segregated. Wet garbage should be composted and dry / inert solid waste should be disposed off to the approved sites for land filling after recovering recyclable material.

*Shamul*

- iii) Diesel power generating sets proposed as source of back up power for elevators and common area illumination during operation phase should be of enclosed type and conform to rules made under the Environment (Protection) Act, 1986. The height of stack of DG sets should be equal to the height needed for the combined capacity of all proposed DG sets. Use low sulphur diesel. The location of the DG sets may be decided with in consultation with Orissa Pollution Control Board.
- iv) Noise should be controlled to ensure that it does not exceed the prescribed standards. During night time the noise levels measured at the boundary of the building shall be restricted to the permissible levels to comply with the prevalent regulations.
- v) The green belt of the adequate width and density preferably with local species along the periphery of the plot shall be raised so as to provide protection against particulates and noise.
- vi) Weep holes in the compound walls shall be provided to ensure natural drainage of rain water in the catchment area during the monsoon period.
- vii) Rain water harvesting for roof run- off and surface run- off, as plan submitted should be implemented. Before recharging the surface run off, pre-treatment must be done to remove suspended matter, oil and grease. The borewell for rainwater recharging should be kept at least 5 mts. above the highest ground water table.
- viii) The ground water level and its quality should be monitored regularly in consultation with Central Ground Water Authority.
- ix) Traffic congestion near the entry and exit points from the roads adjoining the proposed project site must be avoided. Parking should be fully internalized and no public space should be utilized.
- x) A Report on the energy conservation measures confirming to energy conservation norms finalise by Bureau of Energy Efficiency should be prepared incorporating details about building materials & technology, R & U Factors etc and submit to the Ministry in three months time.
- xi) Energy conservation measures like installation of CFLs/TFLs for the lighting the areas outside the building should be integral part of the project design and should be in place before project commissioning. Use CFLs and TFLs should be properly collected and disposed off/sent for recycling as per the prevailing guidelines/ rules of the regulatory authority to avoid mercury contamination. Use of solar panels may be done to the extent possible.

- xii) Adequate measures should be taken to prevent odour problem from solid waste processing plant and STP.
- xiii) The building should have adequate distance between them to allow movement of fresh air and passage of natural light, air and ventilation.

#### PART - B. GENERAL CONDITIONS

- i) The environmental safeguards contained in the EIA Report should be implemented in letter and spirit.
  - ii) The project proponent shall also submit six monthly reports on the status of compliance of the stipulated EC conditions including results of monitored data (both in hard copies as well as by e-mail) to the respective Regional Office of MoEF, the respective Zonal Office of CPCB and the SPCB.
4. Officials from the Regional Office of MOEF, Bhubaneswar who would be monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents / data by the project proponents during their inspection. A complete set of all the documents submitted to MoEF should be forwarded to the CCF, Regional office of MOEF, Bhubaneswar.
  5. In the case of any change(s) in the scope of the project, the project would require a fresh appraisal by this Ministry.
  6. The Ministry reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
  7. All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, Forest Conservation Act, 1980 and Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponents from the respective competent authorities.
  8. These stipulations would be enforced among others under the provisions of Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and control of Pollution) act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification, 2006.

9. The project proponent should advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental Clearance and copies of clearance letters are available with the Orissa Pollution Control Board and may also be seen on the website of the Ministry of Environment and Forests at <http://www.envfor.nic.in>. The advertisement should be made within 10 days from the date of receipt of the Clearance letter and a copy of the same should be forwarded to the Regional office of this Ministry at Bhubaneswar.

10. Environmental clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs. Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this project.

11. Any appeal against this Environmental Clearance shall lie with the National Environment Appellate Authority, if preferred, within a period of 30 days as prescribed under Section 11 of the National Environment Appellate Act, 1997.

12. A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zilla Parisad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom suggestions/representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.

13. The proponent shall upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of MoEF, the respective Zonal Office of CPCB and the SPCB. The criteria pollutant levels namely; SPM, RSPM, SO<sub>2</sub>, NO<sub>x</sub> (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.

14. The environmental statement for each financial year ending 31<sup>st</sup> March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of EC conditions and shall also be sent to the respective Regional Offices of MoEF by e-mail.
