Compliance Report to Stage-I Conditions

Date: 16.01.2021

Proposal No.: FP/KA/Others/27706/2017.

Name of the Proposal: Diversion of 0.604 ha. of forest area proposed for Downhill Pipe Conveyor (DHPC) for Bhadra Iron Ore Mine ML No. 2365 and Tunga Iron Ore Mine ML No. 2366 in favour of M/s. JSW Steel Ltd., in Bellary District of Karnataka.

SL No.	Conditions	Compliances
1.	Legal status of the diverted forest land shall remain unchanged;	The legal status of forestland will be unchanged and continues to be forestland even after the diversion. An undertaking is attached as Annexure-I .
2.	Compensatory afforestation over the non-forest land, equal in extent to the forest land being diverted, shall be raised within a period of three years with effect from the date of issue of Stage-II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency;	We have transferred and mutated the identified non-forest land in Sy. No. 11/A (part; 0.960 ha) in Agasanuru Village, Siruguppa Taluk, Ballari District for raising the Compensatory Afforestation over 0.604 Ha. In addition to this, we have transferred the cost to raise the afforestation and maintenance thereafter. The details of payment made for statutory charges are attached in Annexure-II .
3.	The land identified for the purpose of CA shall be clearly depicted on a Survey of India topo-sheet of 1:50,000 scale;	We had initially proposed an extent of 0.604 ha of non-forest land in Gadiganuru village, Hosapete Taluk, Ballari District for raising CA and the same was uploaded in PART- I of the proposal (the forest diversion extent being less than one hectare). Later, we had proposed an alternate CA land over an extent of 0.960 hectare against 0.604 hectares of non-forest land in Sy. No. 11/A of Agasanuru village, Haccholi Hobli, Siruguppa Taluk, Ballari District. The part of Sy. No. 11/A was also allocated to Rama Mine Lease vide online proposal No. FP/KA/MIN/24548/2017 and the remaining land i.e. 0.960 hectare was allotted to this proposal.

		The maps in suitable formats are herewith attached in Annexure-III .											
4.	The non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance;	The non-forest land identified for raising compensatory afforestation has been transferred and mutated in favour of the state forest department. The Suitability Certificate, Mutation Record, Sale Deed, Non-encumbrance Certificate and RoR/Pahani along with their English Translation are attached in Annexure-IV .											
5.	The non-forest land transferred so mutated in favour of the State Forest Department shall be notified by the State Government as RF under Section-4 or PF under Section- 29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act, 1927 latest within a period of six months from the date of issue of Stage-II approval;	To be complied by State Forest Department.											
6.	The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;	We have transferred the cost of raising and maintaining the compensatory afforestation at the current wage rate being specified in the Demand Notice, in the account of CAMPA through online portal. The details of payment made for statutory charges are attached in Annexure-II .											
7.	The User Agency shall transfer online, the Net Present Value (NPV) of the forestland being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry in its letter No. 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned;	We have transferred the Net Present Value (NPV) of the forestland being diverted under this proposal, as per the demand notice, in the account of CAMPA through online portal. The details of payment made for statutory charges are attached in Annexure-II .											
8.	The user agency should ensure that the compensatory levies (CA cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	We have generated the challan from online web portal and deposited all the raised statutory charges (as per demand notice) in appropriate bank online. The details of payment made for statutory charges are attached in Annexure-II .											

9.	<p>The User Agency shall submit compliance for FRA before Stage-II approval. Thus, the State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009, 05th February, 2013 and 05th July, 2013, in support thereof;</p>	<p>The FRA Form-I stating that the state govt. has completed settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted, is attached in Annexure-V as prescribed in the guidelines.</p>
10.	<p>The user agency shall conduct a study, at its own cost, involving a Reputed Institute on impact of downhill pipe conveyer on wildlife in the landscape and ambient environment. The State Forest Department will decide the ToR for the study. The study may be conducted for a period of five years or as decided by the State Forest Department;</p>	<p>Progress is as under:</p> <ul style="list-style-type: none"> • The Scope of work is finalized by the PCCF & HOFF wide letter no. KFD/HoFF/A5-1(MNG)/46/2018-FC dt. 27.07.2020 (Annexure VI). • Selection on agencies for wildlife related studies and environment related studies was done by the PCCF & HOFF wide letter no. KFD/HoFF/A5-1(MNG)/46/2018-FC dt. 27.07.2020 • The WII Dehradun has asked for a tri Party agreement involving WII, JSW & Forest dept., so that, the funds required for the study can be remitted through Forest Dept. GoK vide letter no. KFD/HoFF/A5-1(MNG)/46/2018-FC dt.07.10.2020 (copy enclosed). • The directions on the above matter is awaited. • In the meanwhile, EMPRI, Bangalore who had assigned tasks for the environment related studies has submitted invoice on 05.12.2020 ref. CL/JSW Project/CR-13/2019-20/928 (copy enclosed). • As per the invoice raised by the EMPRI, funds have been remitted to EMPRI on 05.01.2021 (copy enclosed). • Also, email communication to APCCF-FC is made for asking EMPRI to initiate the study on 07.01.2021 (copy enclosed). • We are now awaiting directions from Forest Dept. for finalization and intimation of modalities to us so that the funds will be remitted, enabling WII, Dehradun to commence the studies, which to be coordinated by the Forest Dept. <p>EMPRI has agreed to deploy the team at site and initiate the studies.</p>
11.	<p>The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;</p>	<p>As per the EIA Notification, 2006, the project category does not require Environment Clearance.</p>

12.	No labour camp shall be established on the forestland;	We will not establish any labour camp on the forestland being diverted. An undertaking is attached as Annexure-VII .
13.	The User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	No nearby forest will be damaged and pressurized in the need of fuel and we will provide the alternate suitable fuel to the labourers at our cost. An undertaking is attached as Annexure-VIII .
14.	The boundary of the diverted forestland, as applicable, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS Co-ordinates;	The boundary of forest land being diverted, has been demarcated on ground by erecting four feet high reinforced cement concrete pillars, each inscribed with serial number, DGPS Readings and distance from pillar to pillar. The images of boundary demarcated by pillars is attached in Annexure-IX .
15.	The layout plan of the proposal shall not be changed without the prior approval of the Central Government;	We hereby undertake not to change the layout plan of the proposal without prior approval of the Central Government. An undertaking is attached as Annexure-X .
16.	The forestland shall not be used for any purpose other than that specified in the proposal;	We will use the forestland only for the purpose specified in the proposal. An undertaking is attached as Annexure-XI .
17.	The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;	We hereby undertake that the diverted land will not be transferred to any other user agency, department or person without prior approval of the Central Government. An undertaking is attached as Annexure-XII .
18.	No damage to the flora and fauna of the adjoining area shall be caused;	We hereby agree to abide by this condition. An undertaking is attached as Annexure-XIII .
19.	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	We will explore the possibility to translocate the maximum number of trees identified to be cut before felling of trees under strict supervision of State Forest Dept. and after obtaining a prior approval from the Government. An undertaking is attached as Annexure-XIV .
20.	Overburden shall not be dumped outside the width of the road. The muck generated in the earth cutting will be disposed off at the designate dumping sites and in no case; the muck/debris shall be allowed to roll down the hill slopes.	No overburden material will be dumped outside the width of the road. We intend to dispose off the muck/overburden produced by excavation, at the designated dumping sites and proper measure will be taken in advance to avoid the roll down on hill slopes. An undertaking is attached as Annexure-XV .
21.	The User Agency will undertake comprehensive soil conservation measures at the project cost in consultation with the State Forest Department.	We hereby agree to carry out the comprehensive soil conservation measures at the project cost in consultation with the State Forest Dept. An undertaking is attached as Annexure-XVI .
22.	The User Agency shall not collect any toll from the vehicles carrying forest officers on duty;	We hereby agree not to collect any toll from the vehicles carrying forest officers on duty. An undertaking is attached as Annexure-XVII .
23.	The User Agency shall submit the annual self-compliance report in respect of the above conditions to the State Government and to the concerned Regional Officer of the Ministry regularly;	We hereby undertake to submit the annual self-compliance report in respect of the above conditions to the State Government and to the concerned Regional Officer of the Ministry

		regularly. An undertaking is attached as Annexure-XVIII.
24.	Any other condition that the concerned Regional Office of this Ministry with the approval of competent authority may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife; and	We hereby undertake to abide by any other conditions that the concerned Regional Office of this Ministry with the approval of competent authority may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife. An undertaking is attached as Annexure-XIX.
25.	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and National Green Tribunal Order(s) pertaining to this project, if any, for the time being in force, as applicable to the project.	We hereby undertake to comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and National Green Tribunal Order(s) pertaining with this project, if any, for the time being in force, as applicable to the project. An undertaking is attached as Annexure-XX.

FORMAT - A

CA LAND SUITABILITY CERTIFICATE UNDER FCA 1980

[Cases where the proposed non-forest CA land can support the prescribed planting density of 1000 plants per hectare]

In compliance of the procedure established for diversion of forestland for non-forest purpose through the Forest Conservation Rules 2003 and guidelines framed under the Forest Conservation Act 1980, the following is certified.

1. The non-forest land parcel(s) shown in the table below proposed by **M/s JSW Steel Limited, Toranagalu** for raising compensatory afforestation (CA) in forest land diversion proposal number **F.C No.FP/KA/Others/27706/2017** for diversion of **0.604** hectare of forestland in **Ballari** Division(s) has/have been inspected by me on 03.08.2019.
2. The said non-forest CA land parcel(s) is/are suitable for raising compensatory afforestation in accordance with the Government of India FC Guidelines F. No. 11-423/2011-FC dated 08-11-2017 read with general FC Guidelines, and in case of Private Party User Agency, further as per Government of Karnataka Order No.FEE 82 FLL 2016 dated 31-08-2016.
3. The KML file(s), Topo Map(s), Geo-referenced Map(s) & GPS readings of all corners of the proposed land parcel(s) have been uploaded by User Agency in PART-I of the proposal :
4. Additional remarks, in any: This area (Agasanur village) is located in the Great Indian Bustard (GIB) area of Siruguppa Taluk, Ballari District, it should be maintained as wildlife habitat and thus plantation shall not be taken up in these areas. Therefore the CA charges may be utilized for raising plantation in the degraded Reserve Forest area of Ballari Forest Division.

ಸೂಚಿಸಿ

- d) JSW Steel Ltd came to know that the seller has availed Crop Loan of INR .2,05,000/- against the immovable Property in Sy No 11/A of Agasanuru village, Siruguppa Taluk from the **State Bank of India**, Siruguppa Branch. JSW Steel Ltd has cleared the Crop Loan with Interest by making payment of INR .2,05,000/- in favour of the Central Bank of India and the Bank ~~has~~ loan amount clearance letter and same will be executed Reconveyance Deed of Mortgaged Property in Sub-Registrar, Office Siruguppa ~~for~~ clearing the loan amount.
- e) JSW Steel Ltd paid the Purchase Consideration to the Seller after deducting the amount paid towards the clearing the loan and has asked the Seller to transfer the Property to the Buyer i.e. Government of Karnataka, Forest Department on behalf of JSW Steel Limited for mandatory provision for mining lease as per the Forest Act 1980 and Government of Karnataka represented by Deputy Conservator of Forests, Ballari has accepted the Property for raising Compensatory Afforestation;
- f) As per the proviso to Section 3 of the Karnataka Stamp Act, 1957, no duty shall be chargeable in respect of any instrument executed by, or on behalf of, or in favour of, the State Government in cases where the State Government would be liable to pay the duty chargeable in respect of such instrument. Further, as per article XXXIII of Table of Registration Fees, Karnataka Registration, Rules 1965, a department either of the State Government or Central Government liable to pay registration charges is exempt from the payment of all fees under the Table of Registration Fees. However, in case any stamp duty or registration fee in respect to this instrument is accessed by any competent authority to be borne by the State Government, the same would be borne by JSW Steel Limited.
- g) Therefore on fulfillment of the conditions set out in the Agreement to Sell and relying on the representation of the Seller that the Property is free from all encumbrances and has not at any time hereinbefore, in any manner whatsoever, been mortgaged, charged, conveyed or agreed to be sold and transferred to any third person(s), the Seller has agreed to transfer the Property and the Buyer has agreed to acquire the Property from the Seller.
- h) The Seller has further represented that, to the best of his knowledge, there are no proceeding, order, decree, suit or judgment pending/passed in/by any court or judicial/government authority, local body or statutory authority in respect of the Property, which would, in any manner, prejudice, restrain, limit or inhibit the transfer

MEETING RESOLUTION BOOK

Total Members.....

Present.....

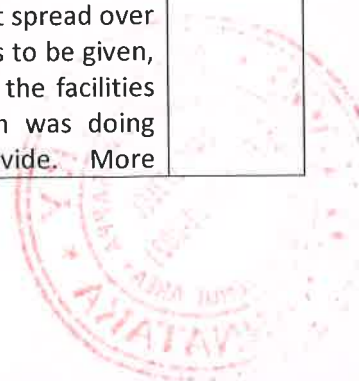

Absent.....

Date: 01.08.2018

S.No.	Subject	Resoluton	Remarks
1	The Forest Rights Gram Sabha Meeting was called on 01.08.2018 near the Sri Anjaneya Temple of Taranagara, under the Chairmanship of the Gram Panchayat President Smt. Annapurneswari and Sri. A. Pampavathi, President, Forest Rights Act, Taranagara and the decisions taken unanimously by President, Vice President, Forest Rights Committee members and the Village leaders, public present in the Forest Rights Gram Sabha Meeting. The Executive Officers, Zonal Forest Officers, Social Welfare Officers, Taluk Panchayat Project Officers and all other officers were present for the Gram Sabha.		
		The meeting was dutifully started with the Naadageete (State Anthem). To discuss about this matter, the PDO humbly invited everyone including the Forest Rights Committee President and members, Gram Panchayat President, Vice President, all Members, the Village leaders, the general public, Taluk Level Officers, the Executive Officers, Zonal Forest Officers, Social Welfare Officers and all others in the Taluk Panchayat to the meeting, and explained everyone about the documents in connection with the Forest Rights Act that, general category beneficiaries farming or dwelling in the forest area since 3 generation before 2005 should have any 2 documents set out by the government under the Forest Rights Act and the ST/ Scheduled Tribe beneficiaries should have any 2 documents from before 2005.	
2	Bhadra Iron Ore Mine (ML No. 2365) of M/s JSW Steel Ltd, Toranagallu; Total Area = 133.58 ha. (Area of mining lease = 130.53 & for approach road = 3.05 ha.)	For this matter, a total of 133.58 hectares (mine lease area 130.53 hectare and approach road area 3.05 hectare) of Bhadra Iron Ore Mine ML No. 2365 of M/s. JSW Steel Ltd., Toranagallu falls within the forestland of Ittanallu village Taranagar Gram Panchayat limits, and Forest Officers and PDO brought to the notice of the Forest Rights Committee that the Scheduled Tribe and Other Traditional Forest Dwellers are not living in the said area. Further, the meeting came to the conclusion that there is no objection to provide Form-02 for the said mine lease area.	
3	Laying of 11 KV transmission line for the Bhadra Iron Ore Mines M.L. 2365.	In reference with this matter, M/s JSW Steel Ltd., Toranagallu is installing 11KV transmission lines for the Bhadra Iron Ore Mines M.L. 2365 which is in the Taranagar Gram Panchayat range. The Scheduled Tribe and Other Traditional Forest Dwellers living in Ettinahatti village of Sandur Taluk Gram Panchayat limits since generations was brought to the notice of the Village Meeting by the PDO. Further, the Executive Officer informed to the meeting that Ittanallu village is Ettinahatti and	

		<p>by mistake it is entered as Ittanallu village. Further the meeting concluded that Ittanallu and Ettinahatti village both are the same.</p> <p>The Executive officer and the Zonal Forest Officers gave a detailed information about any Scheduled Tribe and Other Traditional Forest Dwellers living in the said land. Further, the Gram Sabha came to the conclusion that no Scheduled Tribe and Other Traditional Forest Dwellers are living in the said land. Further, the meeting came to the conclusion that there is no objection to provide Form-01 for the said 11KV transmission lines area.</p>	
4	Downhill Pipe Conveyor for Tunga Iron Ore Mine (ML No. 2366) and Bhadra Iron Ore Mine (ML No. 2365) over an area of 0.604 ha.	<p>With respect to this matter, action had to be taken under The Forest Right Act, Section 3(1) (E), about the Scheduled Tribe and Other Traditional Forest Dwellers as per the Forest Rights Act, the tribal groups leading their life depending on the products from the forest and agricultural based farming races living in the forest.</p> <p>Ensuring livelihoods and food security of such forest dwellers and providing shelter to them would be the aim of Forest Rights Act 2006. The meeting concluded that in the 3 mine lease areas, no tribal groups and traditional forest dwellers are living. The meeting decided to provide Form-01 to the said area. Meanwhile, the meeting also rejected and disposed of the application received from the general public regarding the environment as it does not relate to the subject of the meeting.</p> <p>With regards to this subject, it was also brought to the notice of the Gram Sabha that the Forest Rights Committee received 07 applications, and in the meeting of Forest Rights Committee on 24.07.2018, 06 applications were rejected and 01 applications was approved. The beneficiary of the 01 application Bisale Jayakka's application was approved and then it was informed that the said land does not come under the limits of the above-mentioned area. On the whole, it was decided unanimously in the meeting that, in the above said area no tribal groups and traditional forest dwellers are living and there are no objections.</p>	
5	Other Subject	<p>In this way, it was accepted unanimously in the meeting that there are no tribal groups living in the above said land. However, indirectly, in the neighbourhood of above said land, Taranagar farmers are cultivating and as the dust spread over the crops, the Crop Compensation has to be given, this company should also provide all the facilities the previous Company T.M.L, which was doing mining operations used to provide. More</p>	

importantly, the locals have to be given prime preference for employment in the Mining Company, Hospital, Education, drinking water, bus facility for the students, and because the conveyer line is laid, lorry drivers, helpers and other daily wage workers' families will be getting into financial problems. The present Mining Company has to provide alternate facility. These were the opinions of the general public of the village. Further, it was unanimously decided in the meeting to forward all the petitions from the general public to higher authorities. On the whole, the meeting decided that the Taranagar village should be adopted and developed.

Sir,

Sub: Terms of Reference (ToR) for (i) the Study on Impact of Downhill Pipe Conveyor on wildlife in the landscape and ambient environment proposed to be conducted by the Wildlife Institute of India (WII), Dehradun and by Environmental Management and Policy Research Institute (EMPRI), Bengaluru, And (ii) the Study on Impact of Downhill Pipe Conveyor on wildlife due to increase in operation timings of conveyor belt system during experimental phase of four months

FC Proposal No. FP/KA/Others/26566/2017 [Stage-I approved]

FC Proposal No. FP/KA/Others/27706/2017 [Stage-I approved]

FC Proposal No. FP/KA/Others/27780/2017 [Stage-I approved]

- Ref:**
1. Government of India, Ministry of Environment, Forests & Climate Change (FC Division), New Delhi letter F.No. 8-07/2018-FC (Vol.) dated 28-12-2018 [Stage-I approval; 5.271 ha]
 2. Government of India, Ministry of Environment, Forests & Climate Change (FC Division), New Delhi letter F.No. 8-12/2018-FC (Vol.) dated 31-12-2018 [Stage-I approval; 0.604 ha]
 3. Government of India, Ministry of Environment, Forests & Climate Change (FC Division), New Delhi letter F.No. 8-14/2018-FC (Vol.) dated 31-12-2018 [Stage-I approval; 15.981 ha]
 4. Government of India, Ministry of Environment, Forests & Climate Change (FC Division), New Delhi letter F.No.FC-11/274/2019-FC dated 13-01-2020 [permission to extend operation timings of conveyor belt system from morning 6 AM to night 2 AM (totally 20 hours) on experimental basis for four months]
 5. This office letter of even number dated 03-02-2020 [addressed to Director General, EMPRI Bengaluru and Director, WII Dehradun seeking ToR for the proposed studies]
 6. Director General, Environmental Management and Policy Research institute (EMPRI), Bengaluru letter No. CLC/JSW-Project/CR-13/2019-20 dated 02-

03-2020 [preliminary ToR] and 22-05-2020 [revised ToR]

7. Director, Wildlife Institute of India, Dehradun letter No. WII-EIA/2019-2020/EIA_STUDIES_CONVEYOR PIPE(110)-MO dated 09-07-2020 [submission of ToR]

The Government of India while according Stage-I approvals vide Ref (1), (2) and (3) for abovementioned three proposals under Section 2 of Forest (Conservation) Act, 1980 has stipulated the following condition that needs to be complied with by the User Agency for seeking the final (Stage-II) approval.

"(x) The User Agency shall conduct a study, at its own cost, involving a Reputed Institute on impact of downhill pipe conveyor on wildlife in the landscape and ambient environment. The State Forest Department will decide the ToR for the study. The study may be conducted for a period of five years or as decided by the State Forest Department."

Further, the Government of India vide Ref (4) has permitted to extend the operational times of conveyor belts system established by M/s JSW Steel Ltd on experimental basis subject to the following condition.

- i. *The operation time of Conveyor Belt established by M/s JSW Steel Ltd, Thorangal be extended from morning 6.00 AM to night 2.00 AM (totally 20.00 hours) on experimental basis for 04 months.*
- ii. *A study regarding impact on wildlife due to increase in operation timings of conveyor belt system during experimental phase shall be taken up. The study shall be conducted by an Institute of repute like Wildlife Institute of India and ToR of proposed study shall be finalized in consultation with the State Forest Department.*
- iii. *The findings of the study will be shared with Forest Conservation Division of the Ministry whereas the cost of the study would be borne by the User Agency.*

Accordingly, this office vide Ref (4) letter has requested the Director General, Environmental Management and Policy Research Institute (EMPRI), Bengaluru and also the Director, Wildlife Institute of India (WII), Dehradun to prepare draft Terms of Reference (ToR) for the studies stipulated in the Stage-I approvals and that stipulated by Government of India vide Ref (4).

In response, the Director General, Environmental Management and Policy Research Institute (EMPRI), Bengaluru vide Ref (5) letter dated 02-03-2020 submitted the preliminary ToR for *ambient environment* component of the study. The same was discussed in the meeting held on 14-05-2020 under the chairmanship of Principal Chief Conservator of Forests (Head of Forest Force) at Aranya Bhavan, Bengaluru. Based on certain suggestions made during the meeting, the EMPRI vide Ref (5) letter dated 22-05-2020 has submitted the following revised Terms of Reference for the *ambient environment* component of the Long Term Study.

1. *Inventorization of water bodies within one kilometer radius in the corridor of DHPC line;*

2. *Analysis of Surface Water and Groundwater Quality (Physico-chemical and Bacteriological analysis);*
3. *Monitoring Ambient Air Quality in the project area during construction and operation phases of DHPC (monitoring locations – within the corridor of the three Downhill Pipe Conveyors i.e. from individual mines to common Main/Trunk Pipe Conveyor, connecting to Vijayanagara Steel Plant, Forest Area, Agricultural land, settlements, industries/schools/colleges/hospitals (sensitive zones);*
4. *Monitoring Ambient Noise Levels at suitable intervals and locations in the project area (monitoring locations – within the corridor of the three Downhill Pipe Conveyors, i.e. from individual mines to common Main/Trunk Pipe Conveyor, connecting to Vijayanagara Steel Plant, Forest Area, Agricultural land, settlements, industries/schools/colleges/hospitals (sensitive zones);*
5. *Analysis of Soil quality in the project area at suitable locations (sampling locations – within the corridor of the three Downhill Pipe Conveyors i.e. from individual mines to common Main/Trunk Pipe Conveyor, connecting to Vijayanagara Steel Plant, Forest Area, Agricultural land, settlements, industries/schools/colleges/hospitals (sensitive zones);*
6. *Meteorological Monitoring in the project area (Temperature, Rainfall, Wind Direction, Relative Humidity and Wind Speed);*
7. *Socioeconomic survey (Assess the socio economic conditions of the people in the project influenced villages);*
8. *Land use/ land cover pattern analysis for the area will be done by using time series satellite imageries.*

Similarly, the Director, Wildlife Institute of India, Dehradun vide Ref (6) has submitted the following Terms of References (ToR) for study of the impacts of the existing /proposed Downhill Conveyor Belt and Increased Operation Time of the Main Conveyor Belt of JSW on wildlife in Sandur Taluk, Ballari District.

A. Short Term Study: Evaluation of the Impacts of Increased Timings of the Operation of the Main Conveyor Belt from Nandihalli Railway Yard to JSW Plant on wildlife

- I. *Assessment of the present land use in the main conveyor belt corridor.*
- II. *Identification of habitats of conservation significance within the area.*
- III. *Assessment of the current baseline with respect to habitat status and use by wild animals within the belt conveyor corridor with the current operation of conveyor belt (for 12 hr duration).*
- IV. *Study the effect of conveyor belt associated factors such as physical disturbance, noise and any other disturbance on wildlife and their habitat.*
- V. *Assessment of animal use of the area during extended time of operation of the conveyor belt on an experimental basis.*
- VI. *Comparison of impacts of increase in the period of conveyor belt operation on wildlife.*

B. Long Term Study: Evaluation of the Impacts of Existing / Proposed Downhill Pipe Conveyer Belts of JSW on the wildlife in the surrounding areas of Sandur Taluk

- I. Assessment of the biodiversity value in the landscape of the proposed/existing Downhill Pipe Conveyer Belts.*
- II. Assessment of habitat use by wild animals in the landscape around existing and proposed Downhill Pipe Conveyer Belts.*
- III. Identify areas of conservation significance within the landscape influenced by the development of existing and proposed Downhill Pipe Conveyer Belts with respect to multiple taxa.*
- IV. Provide guidance for aligning conservation planning in the landscape that is ceased with challenges posed by working mines, ore transportation and ore processing units.*

The above Terms of References (ToR) submitted by the Director General, Environmental Management and Policy Research institute (EMPRI), Bengaluru vide Ref (5) letter dated 22-05-2020 and by the Director, Wildlife Institute of India, Dehradun vide Ref (6) letter dated 09-07-2020 have been examined and are hereby approved subject to following conditions.

- i. The date of commencement of the studies shall be communicated by the Study Proponents to the Deputy Conservator of Forests, Ballari Division marking a copy to the Chief Conservator of Forests, Ballari Circle and this office.
- ii. The experimental phase of four months as stipulated by the Government of India shall commence from the date of start of the study by the Wildlife Institute of India. There is no scope for extension of this experimental phase without prior approval of Government of India.
- ✓ iii. The cost of Study shall be completely borne by M/s JSW Steel Ltd (User Agency in the FC proposals) and paid directly to Study Proponent in accordance with their mutual agreement.
- iv. The Study Proponent shall abide by the provisions of Karnataka Forest Act, 1963 and Rules 1969 and also the Wildlife (Protection) Act, 1972 and shall exercise due diligence while visiting the forest areas to undertake the study.
- v. The Study Proponent shall submit Interim Reports periodically as well as the Final Report to the Deputy Conservator of Forests, Ballari Division, to Chief Conservator of Forests, Ballari Circle and to this office as per the schedule given in the Study Proposal.
- vi. The Chief Conservator of Forests, Ballari Circle shall monitor the Study on quarterly basis and submit a report of the same to this office.
- vii. The Study Proponent shall make a presentation of all Interim Reports periodically as well as the Final Report at the end of study period to the undersigned and shall make necessary modifications if directed by this office.

- viii. Any dispute between the two Parties (the Study Proponent and the Funding Agency) shall be internally resolved by the respective Parties amicably. The Government of India / Government of Karnataka / this office shall not be made a party to any financial or other dispute arising between the two Parties.
- ix. Any other conditions that may be imposed by the Government of India / Government of Karnataka / this office in due course of time.

Yours Faithfully

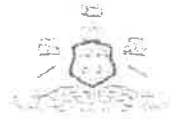

(Sanjai Mohan IFS)

M. S. Building, Bengaluru

Sir,

Sub: Terms of Reference (ToR) for (i) the Study on Impact of Downhill Pipe Conveyor on wildlife in the landscape and ambient environment proposed to be conducted by the Wildlife Institute of India (WII), Dehradun and by Environmental Management and Policy Research Institute (EMPRI), Bengaluru, And (ii) the Study on Impact of Downhill Pipe Conveyor on wildlife due to increase in operation timings of conveyor belt system during experimental phase of four months

- Ref:**
1. This office letter of even number dated 27-07-2020 [*approval for the ToRs*] and 25-09-2020 [*seeking permission to enter into tri-partite agreement*]
 2. Director, Wildlife Institute of India, Dehradun letter No. WII-EIA/ 2019-2010/EIA_STUDIES_CONVEYOR PIPE (110)_MO dated 30/07/2020 [*request for certain modifications in approvals of ToRs*]
 3. Government of India, Ministry of Environment, Forests & Climate Change (FC Division), New Delhi letter F.No.FC-11/274/2019-FC dated 13/01/2020 [*permission to extend operation timings of conveyor belt system from morning 6 AM to night 2 AM (totally 20 hours) on experimental basis for four months*]
 4. Video Conference held on 04/09/2020 in the presence of Principal Chief Conservator of Forests (Head of Forest Force), Principal Chief Conservator of Forests (Forest Conservation) and Director, Wildlife Institute of India (WII), Dehradun

This office vide Ref (1) letter dated 25-09-2020 has requested the Government of Karnataka to take action: (i) to request the Government of India to modify the Condition No.2(i) in Government of India letter dated 13-01-2020 and (ii) to permit the Karnataka Forest Department to enter into a Tri-partite Agreement involving WII, JSW and KFD (copy enclosed).

submitted to the Government of Karnataka. Therefore, the earlier letter dated 25-09-2020 submitted to the Government of Karnataka may kindly be treated as withdrawn and this revised proposal may be considered which is as follows

This office vide Ref (1) letter dated 27-07-2020 has approved the Terms of Reference (ToR) submitted by the Director General, Environmental Management and Policy Research Institute (EMPRI), Bengaluru and the Director, Wildlife Institute of India, Dehradun subject to certain conditions and has communicated the same to all concerned marking a copy of the same to the Government of Karnataka. However, a copy of the same is again enclosed herewith for ready reference.

In response to the said approval, the Director, Wildlife Institute of India, Dehradun vide Ref (2) has requested for amendment to the condition No.ii and No.iii mentioned in the said approval. The details of the said two conditions are as follows.

Condition No.ii: The experimental phase of four months as stipulated by the Government of India shall commence from the date of start of the study by the Wildlife Institute of India. There is no scope for extension of this experimental phase without prior approval of Government of India.

Condition No. iii: The cost of Study shall be completely borne by M/s JSW Ltd Steel Ltd (User Agency in the FC Proposals) and paid directly to Study Proponent in accordance with their mutual agreement.

Meanwhile, the Director, Wildlife Institute of India, Dehradun vide Ref (2) has stated that the experimental phase of four months should commence after an initial period of two months to generate the baseline data. This would allow the proposed study to assess and compare impacts resulting from extended operational time. He has requested for suitable modification in Condition No. (ii).

Further, the Director, WII has also stated that, when dealing with environment impact projects, the wildlife institute of India has an internal policy of not accepting the cost of the study from the private user agencies but only through Government or Public Sector Organizations and Institutions. Hence, he has requested that the possibility of routing the finances for the project allocated for the WII study through the Forest Department of Karnataka may be explored. Alternatively, he has suggested having a tripartite agreement for the execution of the study among WII, Karnataka Forest Department and JSW Steel Limited.

In this connection, it is to submit that the Government of India, Ministry of Environment, Forests & Climate Change vide Ref (3) has permitted the operation time of Conveyor Belt established by M/s JSW Steel Ltd, be extended from morning 6 AM to night 2 AM (total 20 hours) on experimental basis for four months in respect of diversion of 1.645 ha of forest land in SM Block and Sy No.224 of Bannihatti Village in Ballari District for proposed Main Pipe Conveyor Belt Corridor from Nandihalli Railway Yard to JSW Plant in favour M/s JSW Steel Ltd.

As discussed through the video conference on 17.02.2022 by Principal Chief Conservator of Forests (Forest Conservation) & Nodal Officer (CA) and the Director, WII, Dehradun it is decided that the Study will be monitored by Forest Department.

With regard to the role of Karnataka Forest Department in the financial aspect of the proposed Study, it is opined that routing the finances for the Study from a Private Agency (M/s JSW Steel Ltd) through Forest Department, as suggested by WII, may require prior concurrence of the Finance Department and thus may prolong the whole issue of commencement of study. However, a Tri-partite Agreement involving WII, JSW and KFD is possible and the role of KFD in such an arrangement will have to be limited to that of monitoring and facilitating without any financial liability.

In view of the above, it is requested to permit the Karnataka Forest Department to enter into a Tri-partite Agreement involving WII, JSW and KFD. A model Tri-partite Memorandum of Agreement is enclosed for approval.

Yours Faithfully

Subject: [External Mail] Grant released by JSW Steel

To: drsubhash mali <drsubhash.mali@jsw.in>

Sir,

The first installment of grant of Rs.62,98,600/- released has been credited to EMPRI Bank Account on 5th January, 2020 and thanks for the same.

Further, EMPRI accounting year is from 1st April to March 31st and the Statutory Audit Report will be for this period. In case you need a Utilisation Certificate certified by our Auditors, the Internal Auditors M/s. Mahesh & Nagaraj, Chartered Accountants will certify the same. Kindly clarify whether the Utilisation Certificate signed by the Director General, EMPRI will do or it needs to be certified by the Auditors.

With Regards

Dear Sir,

This has reference to the trailing mail wherein a study was constituted for assessment of impacts of Pipe Conveyor on the Environment by EMPRI and assessment of impacts of Pipe Conveyor on the Wildlife by WII, Dehradun. Since the payment was made to EMPRI on 05.01.2021, we require your urgent intervention to depute EMPRI team at site for undertaking the study. Also request you for the status of tri-party agreement for initiating WII Dehradun Study.

As on date the status of payment is as under:

1. EMPRI Study on Environment: EMPRI had asked us to remit 70% first years fees as a precondition to initiate the studies. Accordingly, we had received a Proforma invoice from the EMPRI for **INR 62.98 Lakhs** (70% of First year fees) dt. 5.12.2020. The same was remitted on 05.01.2021. There was some delay to release the payment mostly because PAN and GST supplied by the EMPRI were not matching and was a concern for the Vendor Registration process. After receiving the written explanation and confirmation by the EMPRI, the matter was sorted out and the payment will be done on 05.01.2021 to EMPRI.

Now, we request your goodself to kindly request the EMPRI to initiate the study on the priority basis.

2. WII Dehradun study on Wildlife: Sir, we are awaiting details from your end to receive account details for making the payment to WII Dehradun. As per the trailing mail, a tri-party agreement (to be signed) will have information on the mode of payment and account details. Kindly let us know the status of tri-party agreement for taking the matter forward.

Thanking you once again.
Best regards,
