

PART- V

(To be filled in by the Secretary in charge of Forest Department or by any other authorised officer of the State Government not below the rank of an Under Secretary)

14. Recommendation of the State Government:

(Adverse comments made by any officer or authority in Part-B or Part-C or Part-D above should be specifically commented upon)

The proposal is recommended for diversion of 5.47 ha of forest land for construction of oil & gas well drilling including approach road at location TULD of Mouja-Silachari under Gomati District in the interest of public and other development activities. *The diversion proposal may be approved with the following conditions as proposed by DFO, Gomati:*

- a. Silachari Cave situated within 1 KM from approach road and site will soon be declared as Biodiversity heritage site. Therefore, for promoting and for initial development user agency should contribute Rs.5.00 lakhs for awareness, Signage and other expenditure.
- b. Fencing of project area is necessary therefore user agency should deposit fund for fencing of 3 KM chain link fencing around drilling site and destruction prone area. Alternatively, the user agency may construct fencing at the site as per requirement of DFO.
