vii	The State Government and user agency shall monitor the mining induced subsidence and take appropriate mitigative measures to ensure that it remains within the permissible limit;	As per the mining method adopted in the project, probability of subsidence is nil, hence not applicable.		
viii	The user agency shall obtain the Environmental clearance as per the provisions of the Environment (Protection) Act, 1986, if required;	Environment Clearance, as per the provisions of Environmental (Protection) Act 1986, has been obtained on 19/03/2015 vide MoEF&CC's letter no J-11015/79/2013-IA.II (M) for mining lease of 2650.40 Ha. A copy of this letter is enclosed at <b>Annexure VI</b> .  Above EC was subsequently amended vide MoEF&CC's letter no J-11015/79/2013-IA.II dated 12.10.2018 for mining lease of 3018.40 Ha. A copy of this letter is enclosed at <b>Annexure VII</b> .		
ix	The user agency shall submit the approved mining plan as technically approved by the competent authority;	Approved mining plan is enclosed at <b>Annexure VIII</b> .		
x	The user agency shall prepare a land surrender schedule for surrender of the mined out and biologically reclaimed forest land in accordance with the existing mine plan and progressive mine closure plan and submit an undertaking that mined out and biologically reclaimed forest land will be surrendered to the State forest department as per this schedule;	As per the calendar plan of mining operation, coal production activity will be completed by 2031-32 whereas post mining activities will be continued for next three years, i.e., up to 2034-35. Therefore surrendering of the forest land will commence after post mining activities will complete, i.e., from 2035-36. In view of above, land surrender schedule is prepared and enclosed herewith at <b>Annexure IX</b> .		
xi	Period of diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease proposed to be granted under the Mines and Minerals (Development and Regulation) Act, 1957, and the Rules framed there-under, subject to a maximum period of 25years. The State Government will submit the lease agreement document specified in the lease agreement;	User agency is agreed with the condition.		

xii	User agency in consultation with the State Forest Department shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared in this project. Birds nest artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining to the forest area being diverted for the project;	User Agency has created alternate habitat/ home for the avifauna, in the reclaimed area of the project, photographs of which are enclosed at <b>Annexure X</b> . Above bird nests are artificially made out of eco-friendly materials and will be installed in the area, including forest area and human settlements, adjoining to the forest area being diverted for the project.
xiii	User agency either himself or through the State Forest Department shall undertake fencing, protection and afforestation of the safety zone area (as per the ministry's guidelines dated 27.05.2015), at the project cost;	The subject case is of lease renewal of 874.146Ha. of forest land. As such, the safety zone, (as per the ministry's guidelines dated 27.05.2015) with respect to the said forest land, lies within the excavation zone of the mine. In such view, fencing, protection and afforestation of the safety zone around the referred (874.146 Ha) forest land cannot be done in current circumstances.
xiv	User agency either himself or through the State Forest Department shall undertake afforestation on degraded forest land, one and half time in extent to the area used for safety zone;	However, subsequent to the discussion with DFO Singrauli over the issue, a demand note was issued vide letter no. Map/3477, Singrauli, dated. 19.08.2019, from the office of DFO-Singrauli for an amount of Rs. 2,26,87,500.00 (Rs. Two Crore Twenty Six lakh Eighty Seven Thousand and five Hundred only) with a view to undertake the afforestation of degraded forest land, one and half time, in extent to the area used for safety zone. Accordingly the amount has been deposited by the user agency and informed to DFO-Singrauli, vide letter no. No.: NGH/GM/SO(M)/Env/19-2020/962, dated: 23.10.2019 (copy enclosed as <b>Annexure XIV</b> ). Out of the total amount required to be submitted against the demand note, Rs. 2,06,25,000.00 (Rs. Two Crore Six lakh Twenty five Thousand only) has been deposited through online portal as challan application no 5828571514 in the Ad-hoc CAMPA account of Madhya Pradesh (Account No. : 150765828571514) vide UTR no. SBINR 52019101800054713-524315 on 18.10.2019 (copy of challan enclosed as <b>Annexure XV</b> .) and Rs. 20,62,500.00 (Rs. Twenty lakh Sixty two Thousand and five Hundred only) has been submitted through DD No: 397829 in favour of DFO, Singrauli. (copy of DD enclosed as <b>Annexure XVI</b> .)
xv	Period of diversion of the said forest land under this approval shall be for a period of 20 years only;	User Agency is agreed with this condition.

	The user agency itself or through the state forest department shall undertake gap planting and soil and moisture conservation activities to restock and rejuvenate the degraded open forests (having crown density less than 0.4), if any, located in the area within 100 meters from outer perimeter of mining lease;	User Agency is agreed with this condition. Undertaking in this regard is enclosed at <b>Annexure I</b> .
xvii	The user agency shall prepare a list of existing village tanks and other water bodies with GPS co-ordinates located within five km from the mine lease boundary. This list is to be duly verified by the concerned Divisional Forest officer. The User agency shall regularly undertake desilting of these village tanks and other waste bodies so as to mitigate the impact of siltation of such tanks/water bodies. A detailed plan for desilting of identified ponds and water bodies to be prepared in consultation with forest department and shall be submitted to MoEF& CC before Stage-II approval;	Two nos. of water bodies have been identified within 5 kms. from mine lease hold boundary, one on the southeast side and the other on the southwest side. As a part of regular monsoon preparation, arrangements for mitigation of impact of siltation on such water bodies are extensively undertaken. However, a detailed plan for desilting of identified water bodies, in consultation with forest department has been prepared and enclosed at <b>Annexure XI</b> .
xviii	The user agency shall implement the R&R Plan as per R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R plan will be monitored by the State Government/Regional office of MoEF& CC along with indicators for monitoring and expected observable milestones;	R&R works at the project are done as per the R&R Policy of Coal India Limited, which is updated at regular intervals, to make it in consonance with State Government and National R&R Policy. The policy is monitored by the state govt. as per its provisions.
xix	User agency shall undertake mining in a phased manner and take due care for reclamation of the mined over area. The concurrent reclamation plan shall be executed by the User agency as per the approved mining plan/scheme and an annual report on implementation thereof shall be submitted to Nodal Officer, Forest (Conservation) Act, 1980, Government of Odhisha and Addl. Principal Chief Conservator of Forests (Central), Ministry of Environment and Forests, Regional Office, Bhopal. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the user agency, the Nodal Officer or the Addl. Principal Chief Conservator of Forests (Central) may direct that the mining activities to be suspended till such time, such reclamation activities are satisfactorily executed.	The concurrent reclamation plan is incorporated in the approved mine plan of Nigahi OCP (point no. 3.4.7 of Annexure- V; page no. 28). User Agency will undertake reclamation of mined over area as per above concurrent reclamation plan and annual report on implementation will be submitted to Nodal Officer, Forest (Conservation) Act, 1980, Government of Odhisha and Addl. Principal Chief Conservator of Forests (Central), Ministry of Environment and Forests, Regional Office, Bhopal. Undertaking in this regard is enclosed at <b>Annexure I</b> .

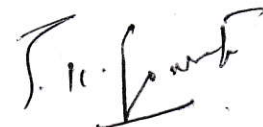

xx	The ground area over the mine shall not be allowed to be used for construction of residential bulidings/labour camps or huts;	User Agency is agreed with this condition.Undertaking in this regard is enclosed at <b>Annexure I.</b>
xxi	User agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;	LPG gas is provided as alternate fuel toall the labourers and staff. Therefore firewood is not consumed and there is no damage and pressure on the adjacent forest areas. Undertaking in this regard is enclosed at <b>Annexure I.</b>
xxii	Boundary of the mining lease and safety zone shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	The subject case is of lease renewal of 874.146Ha. of forest land. As such, the boundary and the safety zone with respect to the said forest land, lies within the excavation zone of the mine. However, four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates; has been erected beyond the excavation zone demarcating the 424.517 Ha forest land(final approval for which has been obtained vide F.No. 8-62/1986-FC dated 12.04.2018) , diverted subsequent to the above forest land.
xxiii	Forest land shall not be used for any purpose other than that specified in the proposal;	User Agency is agreed with this condition.Undertaking in this regard is enclosed at <b>Annexure I.</b>
xxiv	Any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	User Agency is agreed with this condition.Undertaking in this regard is enclosed at <b>Annexure I.</b>
xxv	State Government shall complete settlements of rights, in term of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in it's letter No. 11-9/1998-FC (pt.) dated 3 <sup>rd</sup> August 2009 read with 05.07.2013, in support thereof;	FRA certificate has been obtained and enclosed herewith at <b>Annexure XII.</b>
xxvi	The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;	User Agency is agreed with this condition.Undertaking in this regard is enclosed at <b>Annexure I.</b>
xxvii	No damage to the flora and fauna of the adjoining area shall be caused;	User Agency is agreed with this condition.Undertaking in this regard is enclosed at <b>Annexure I.</b>
