

PART- V

(To be filled in by the Secretary in charge of Forest Department or by any other authorized officer of the State Government not below the rank of an Under Secretary)

14. Recommendation of the State Government:

(Adverse comments made by any officer or authority in Part-B or Part-C or Part-D above should be specifically commented upon)

The proposal is recommended for diversion of forest land measuring 1.368 ha forest land for construction of drill site waste pit, drill site accommodation, TSR Camp and its approach road location called Dev-2A at Mouja –Birendranagar under South Tripura district in the interest of public and other development activities. The diversion proposal may be approved with the following conditions as proposed by the DFO, South :

1. The User Agency should provide income generation activities for livelihood of nearby villages.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the User Agency should bear the expenditure for soil stabilization measures and also to avoid soil erosion and landslide during construction.
3. The User Agency shall bear the expenditure to document the biodiversity and tents for Protection unit as the Muharipur RF has good biodiversity and needs effective patrolling by protection unit.
