

## PART- V

(To be filled in by the Secretary in charge of Forest Department or by any other authorized officer of the State Government not below the rank of an Under Secretary)

14. Recommendation of the State Government:

(Adverse comments made by any officer or authority in Part-B or Part-C or Part-D above should be specifically commented upon)

The proposal is recommended for diversion of 0.3858 Ha forest land for construction of permanent sectionalizing valve (SV-1) Station for day-to-day monitoring and control for Agartala-Panisagar pipeline operation Mouja- DEO RF under District Forest Officer Unakoti.

1. The proposed diverted land is at forest range- Machmara near a tribal hamlet, under kumarghat Sub-Division of Unakoti District with 0.3858 ha area with few horticrops. If it is Patta land / Lease, the User agency should submit non incumbrance certificate from Revenue department and also documents related to compensation to patta hoder if any to avoid any discrepancy or issues during diversion.
2. Due to the diversion for VALVE with additional equipments and there is chance for watch and ward by the User Agency in future for repair and maintenance and the area need to be fenced with entry gates with proper separation from Local Road and tribal settlement nearby. And in addition request the user agency to provide fund for a Bike for **Patrolling the location for Forest patrolling Staff** [Rs.1.30 lakhs]. Also place here demand for another 10.0 lakhs for **up gradation of the Nature trail at Pecharthal range nearby.**

So the Total fund requirement pertaining to the above items is Rs. 1130000/- [Rs. Eleven Lakh and Thirty thousand only].
