English Translation of Ward Sabha meeting

A combined meeting of concerned wards of Paradip Municipality was held today on 25.04.2018 Wednesday at 10 A.M in Paradip Port officer's club to consider the proposal of Paradip port trust to use forest land for development of outer harbour, inner harbour including western dock and mechanisation of existing berths. Sri Basanta Biswal, Chairman of Paradeep Municipality presided over the meeting. The list of councillors, majority inhabitants govt. Officials and port officials who attended the meeting is attached at "Annexure A".

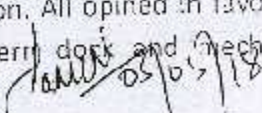

While placing the proposal for use of forest land in Village Sandhakuda as detailed below for aforesaid expansion and mechanisation work, Sri Kothapalli Rama Chandra Rao, Chief Engineer Paradip Port explained vividly how this project will be beneficial for economic growth, creation of local employment opportunity and prevention of environment pollution.

LAND SCHEDULE				
SL. NO	VILLAGE	PLOT	KISAM	AREA(Hector)
1	SANDHAKUDA	6	FOREST 2	0.422
2	SANDHAKUDA	8	FOREST 2	7.876

operational berths. Besides this, they told that though Paradip Port authority have made arrangements for health, education and drinking water facility for inhabitants, but in view of increasing population they expect more for drinking water, electricity and health along with slum development. After that Sri Sarat Chandra Bisoi, Deputy Chief Engineer, Paradip Port informed about the proposal prepared to convert Paradip into a smart industrial port city which will fulfil the aforesaid expectation of the local inhabitants.

There is neither any type of individual nor community right over this forest land as per the provisions of Sec-3 of Forest Right Act, 2006. The proposal of Paradip Port Trust to use this forest land for development, expansion and modernisation work is not violating the provisions of forest Right Act, 2006 as emerged from the discussion of ward sabha. There is neither any allegation nor complaints of the local inhabitants regarding this proposal. Further the proposed project will be beneficial for local peripheral development, income enhancement, employment opportunity and prevention of environment pollution as felt by the ward sabha. Accordingly unanimous resolution was passed recommending the proposal of Paradip Port Trust to use this forest land for development of outer harbour, inner harbour including western dock and mechanisation of existing berths.

At last, the chairman in his presidential remark told that development of Paradip Port is very essential for development of Paradip locality. He thanked the inhabitants for supporting the proposal unanimously and requested Paradip port authority to provide more assistance for development of municipality.

Finally the meeting was ended with vote of thanks to president and participants.
