S. N.	Condition	Remarks of PIU
1	Legal status of the forest land shall remain unchanged.	Legal status of the forest land will remain unchanged.
2.	Compensatory afforestation: The State Government shall plant 1830 trees to maintain the green cover at the project cost. Planting site for the purpose shall be identified by the State Forest Department preferably within or in the surrounding area of the project. Indigenous tree species should be preferred for such plantation. The user agency shall transfer the cost of plantation and its maintenance for 10 years (revised as on the date to incorporate the existing wage structure) to State Forest Department.	The requisite cost of Compensatory afforestation i.e., Rs. 2123320.00 has already been paid to state Forest Department (Bihar CAMPA Fund) Vide UTR No HDFCR52020060983052429. The copy of the same is being enclosed.
3 a)	NPV: The State Government shall charge the Net Present Value (NPV) for the 0.64 ha forest area to be diverted under this proposal from the User Agency as per the order of the Hon'ble Supreme Court India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in No 566 in WP(c) No. 202/1995 and as per this guidelines issued by the Ministry vide letters No 5-2/2006-FC date 03/10/2006 and 5-3/2007-FC dated 05/02/2009 in this regard.	The requisite cost of NPV for the diversion of 0.64 ha forest land i.e., Rs. 4006400.00 has already been paid to state Forest Department (Bihar Campa Fund) Vide UTR No HDFCR52020060983052429. The copy of the same is being enclosed.
b)	Additional amount of NPV of the diverted forest land, if any becoming due after finalization of the same by the Hon'ble supreme Court of India, Shall be charged by the State Govt, From user agency.	Additional amount of NPV of the diverted forest land, if any becoming due after finalization of the same will be deposited to state Forest Department.
4 a)	User Agency shall restrict the felling of trees to minimum number in the diverted forest land the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.	Felling of trees will be restricted to minimum number in the diverted forest land and the trees will be felled under the strict supervision of the State Forest Department and the cost of felling of trees will be deposited by BSTDC with the State Forest Department.
b)	In view of the State Government's recommendation, such number of trees whose removal is unavoidable, but whose translocation (number, girth and species to be decided by SFD) is practicable using modern technology or otherwise, will be translocated to the extent possible at the cost of user agency.	Such number of trees whose removal is unavoidable, but whose translocation (number, girth and species to be decided by SFD) is practicable using modern technology or otherwise, will be translocated to the extent possible at the cost of BSTDC.
5	All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA fund only through E-portal	All the funds under the project has been transferred/ deposited to CAMPA fund only through E-portal.
6	The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.	The complete compliance of the FRA, 2006 has been ensured by way of prescribed certificate from the concerned District Collector.
7	The height of the ropeways should be maintained with minimum clearance of 5 meters from the highest tree.	The height of the ropeways would be maintained with minimum clearance of 5 meters from the highest tree.
