**Sub : Establishment of City Gas Distribution Network in Narmada GA - Linear Project
– Proposal for Grant of Permission for laying -**

1. Proposed 125 mm Dia PE Gas Pipeline underground Along SH-64 (Ankleshwar-Rajpipla) Road and Across NH-56 (Rajpipla-Netrang) & (Rajpipla-Devaliya) Road to Rajpipla to set up City Gas Distribution Network in Narmada GA.
2. Proposed 6" Dia Steel Gas pipeline underground for connectivity of Ganesh Petroleum – route from Rajpipla to Ganesh Petroleum Along & Across on SH-64 (Ankleshwar-Rajpipla Road) and SH-160 (Rajpipla – Rusela Road)

In Protected Forest land in Taluka- Nandod, Dist. Narmada of Narmada GA.

(Diversion of Area: 3983.00 Sq.mtr. i.e. 0.3983 Hectares Area)

Dear Sir,

Please find enclosed herewith a proposal along with Annexures in four copies for granting of No Objection Certificate for laying of 125 mm Ø PE Pipelines and 6" Dia Steel Gas pipeline underground in Protected Forest land for our Linear Project **as mentioned above.**

It may kindly be noted that pipeline will be laid in **Narmada District – Along & Across SH-64 (Ankleshwar-Rajpipla) Road and Across NH-56 (Rajpipla-Netrang) & (Rajpipla-Devaliya) and Along & Across on SH-160 (Rajpipla – Rusela Road)** as said herein.

The pipeline will be laid by excavation of a narrow strip of trench of 40 CM and 50 CM width respectively and depth 1.2 meter by horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strips of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the Gujarat Gas Limited for its exclusive use as it is a Linear Project. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is very much necessary to lay **Along & Across SH-64 (Ankleshwar-Rajpipla) Road and Across NH-56 (Rajpipla-Netrang) & (Rajpipla-Devaliya) and Along & Across on SH-160 (Rajpipla – Rusela Road)** as stated herein above because there is no other alternate route. It is not possible to lay the subject pipeline on any other alternative route except to lay by use of Forest Land for the proposed route of pipeline. **Executive Engineer, R&B Div., Rajpipla, & Executive Engineer, NH Div., Bharuch** have been requested to allow to lay pipeline as stated herein above and permission is likely to be received shortly.
