

**SITE INSPECTION REPORT AND RECOMMENDATION OF DISTRICT
FOREST OFFICER, SIVAGANGA FOREST DIVISION, SIVAGANGA**

This proposal is for diversion of Forest Land in Senjai East Reserved Forest of Sivaganga Forest Division for developing the Stretch from Karaikudi - Ramanathapuram section of NH 210 and upgrade as 2 laning with paved shoulders configuration. The said area was inspected by me on 05.10.2020 along with Forest Range Officer and other subordinate staff of Sivaganga Range.

During inspection it was observed that there is no spontaneous growth of trees species are found, no adverse impact on Bio-diversity of the area, no alternate route available for the project and it is confirmed that the exact area required for the project is 0.015 ha.

User Agency has submitted necessary undertaking on Compensatory Afforestation Expenditure. Net Present Value, Additional Net Present Value and lease Rent etc. There is no tree felling is involved in this project. The road is highly essential for providing access to the general public.

Taking into consideration the above facts, the proposal of diversion of 0.015 Ha. area in Senjai East Reserved Forest is **Recommended** with the condition that there should not be any violation of Act/Rule in force related to Forest and Wildlife.
