PART - III

(To be filled by the concerned Conservator of Forests)

14. Whether site, where the forest land involved in the Yes / No case is located has been inspected by the concerned Conservator of Forests? If yes, the date of inspection of observations made in the form of inspection note to be enclosed.	Yes
15. Whether the concerned Conservator of Forests agrees with the information given in Part-B and the recommendations of the Deputy Conservator of Forests.	No, I disagree with the recommendation of the DFO.
16 Specific recommendations of the concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	No doubt that the village Dumri and Karechi are connected with the roads but the instant alignment will curtail the distance almost thereof and will also connect the left out beneficiaries. Therefore, the proposal is beneficial to the local people of the area and is in the interest of State. Hence, recommended for approval under FCA, 1980.
