Recommendation of the DCF acceptance or otherwise of the proposal with reason.

Recommended.

1. The proposal is hereby recommended and may be accepted in the interest of national security and for strategic reasons such as transport. As the non-forest land required in this case is very less, the user agency may be asked to search for the availability of suitable non-forest land in equal area in absence of which may furnish the non availability of non-forest land certificate from competent authority. The proposal if accepted should not result in the prohibition of free movement of forest personnel for the conservation of forest and wildlife. As the area is the habitat for wild animals, sufficient precautions are to be ensured from the side of user agency to protect themselves and the wild animals. No firing/ fire camp should be allowed inside the camp. No trespassing inside the surrounding forest areas should be allowed. Suitable mechanism should be made out to dispose the municipal waste in a scientific manner. .
2. The clearance/NOC under Forest Right Act, 2006 from District Magistrate, Darjeeling is mandatory for all forest clearance.
