iii)	Forest Division	Goalpara Forest Division (T)																																									
iv)	Area of Forest land proposal for diversion (in ha.)	1.0 (one) ha.																																									
v)	Legal status of land	Reserve Forest (Chitalmari RF)																																									
vi)	Density of vegetation	The proposed quarry site is a rocky hill slope without any trees/ herb & shrub grown. The forest type of the surrounding area is semi evergreen with the density of 20-30%																																									
vii)	Species wise (scientific names) and diameter class-wise enumeration of trees (to be enclosed) In case of irrigation/Hydel project enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed	No tree species and herb & shrub is existed within the proposed site.																																									
viii)	Brief note on vulnerability of the Forest area to erosion.	Since the entire area is rocky so the area is not vulnerable to erosion/land slide.																																									
ix)	Approximately distance of proposed site for diversion from boundary of Forest.	Approximately 0.95 Km from boundary of the RF																																									
x)	Whether forms part of National Park, Wildlife, Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant corridor etc. (If so, the details of the area and comment of the Chief Wildlife Warden to be annexed)	The area proposed for quarry does not form any part of N.P. Wild life, Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor or within Eco-Sensitive Zone.																																									
xii)	Whether any rare/ endangered/ Unique, species of flora and fauna found in the area if so details thereof.	There is no rare/endangered/Unique species of flora and fauna in the area was basically Sal Forest after the massive deforestation from the year 1980-81 the area become degraded.																																									
	Whether any protected Archeological / Heritage Site /Defence Establishment or any other important Monument is located in the area If so, the details thereof with NOC from competent authority, if required.	No protected Archeological / Heritage Site /Defence Establishment or any other Monument is located in the area																																									
8	Whether the requirement of Forest land as proposal by the user agency in Col. 2 of Part-I is unavailable and bares minimum for the project. If no, recommended area item wise with details of alternative examined.	As the area is 1 ha only and there is no any Revenue area nearby where such materials are available. So, the requirement is unavoidable by the User Agency.																																									
9	Whether any work in violation of the Act has been carried out (yes/No). If yes, details of the same including period of work done, action taken on carrying official. Whether work in violation is still in progress.	No																																									

(2)

10	Details of compensatory Afforestation scheme	
	i) Details of non-forest area/degraded forest area indentified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch	Does not arise.
	ii) Map showing non-forest / degraded forest area indentified for compensatory afforestation and adjoining forest boundaries.	Does not arise.
	iii) Details Compensatory afforestation scheme including species to be planted, implementing agency, time schedule cost structure etc.	Does not arise.
	iv) Total financial out day for compensatory afforestation scheme	Does not arise.
	v) Certificate from competent authority regarding suitability of area indentify for compensatory afforestation and from management point of view (to be signed by the concerned Deputy Conservator of Forests)	Does not arise.
11	Site inspection report of the DCF(to be enclosed) specially highlighting facts asked in Col.7 (xi & xii) 8 & 9 above.	Copy enclosed.
12	Division/District profile:- i) Geographical area of the district:- ii) Forest area of district:- iii) Total Forest area diverted since 1980 with number of cases iv) Total Compensatory afforestation. stipulated in the district Division since 1980 on:- v) Forest land including penal compensatory afforestation:- vi) Non-Forest land vii) Progress of compensatory afforestation on:- (a) Forest Land:- (b) Non-Forest Land:-	1824 .km. 19.987% 189.5751 ha. in 8 cases 168.06 ha Nil 168.06 ha Nil 168.06 ha
13	Specific recommendation of the DCF for acceptance or otherwise of the proposal with reasons	Satisfied and recommended.
