Site inspection report

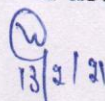

Dated :-13.02.2021

For the purpose of establishing retail outlet (Petrol Pump) of Bharat Petroleum Corporation Ltd. (BPCL) on the Khata No.267, Plot No.1188 Mouza-Fulwaria, Thana No.225 in Purnea District, a proposal for diversion of 0.01275 Hectare of forest land has been submitted by Mr. Pradip Kumar Sah s/o Shri Satyanarayan Prasad Sah, Satyam Place, At & PO-Madarghat Kasba, District-Purnea under Forest (Conservation) Act 1980. I have inspected the site on 13th February 2021 with Range Officer of Forest, Purnea and Mr. Pradip Kumar Sah. As per the proposal, the proposed site of Petrol Pump is just along side of Purnea City-Kasba-Araria road (SH-60) which is a notified forest. For entry and exit from the road to Pump site, 0.01275 Hectare of forest land will be required to be diverted, the calculation of which is attached with the proposal. For developing entry and exist path from the road to the pump site no trees/plants are required to be felled.

During inspection no endangered/unique species of flora and fauna has been found. Also no protected archaeological/heritage site/ defence establishment is located near the site.
