

Specific Recommendation of DCF for Acceptance

Project: Lower Kopili Hydro Electric Project (120 MW).

Forest area proposed for diversion under Hamren Forest Division: 45.28 Ha

The construction of the Lower Kopili Hydro Electric Project with the installed capacity of 120 MW comprising of the Main power house with 2 units 55 MW each and an Auxiliary Power house with an installed capacity of 10 MW, is a Government of Assam project having national interest. It will improve overall power scenario without causing major damage of the forest and environment provided mitigated measures are implemented by the user agency as per guideline. Therefore, the diversion for the forest land which is the barest minimum required as above is recommended for acceptance.
