

### **Specific Recommendations of District Forest Officer**

The proposal No. FP/TR/ROAD/143781/2021, Proposal for diversion of 11.1276 ha Forest land for settlement of Road Diversion under North Tripura District forest division.

#### **Recommended with the following conditions:-**

1. The damage to the forest during construction activities should be minimum and also without affecting the adjacent patches of plantation/ Forests.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the user agency should bear the expenditure incurred for soil stabilization measures and also to avoid the soil erosion and landslides during construction.
3. Only the required number of trees that needs to be felled may be felled during the implementation of the project.
4. The CA project against the said project shall be done under Dhalai District, since the quantum of the land is lesser in comparison to the amount of land to be diverted from the other two districts involved.
5. Various permanent assets of the Forest Department may be lost due to the roads alignment, so adequate compensation of 43.51 Lakhs may be deposited towards the development of the same.
6. Further the new Road would be leading to the felling of as much as 2685 trees and the various forests nearby would be affected, thereby there requires an adequate compensation in terms of livelihood towards the various communities dependent upon the forests, so for the development of the Eco Tourism site at Sanandhapara waterfall shall help in the same, so fund of Rs.50. Lakhs towards the development of various resources at the waterfall area may be provided with.
7. The Muck disposal may be done properly by the user agency, a detailed fortnightly report may be submitted by the user agency on the various details of the location of the muck disposal along with the quantity to the SDFO, Kanchanpur for proper monitoring.
