SPECEFIC RECOMMENDATION FOR ACCEPTANCE OF THE PROPOSAL

The proposal for diversion of Forest Land 0.25 Ha for Construction of 45Mtr span bridge over Gurai Nalla is unavoidable and highly important for hassle free movement of general public and security/defense personals as it connects Bandipora with Gurez and Tulail valley . The abutments of the bridge falls in compartment 50/KG and 42/KG of Gurez Range involving 0.25 Ha of forest land.

As such, the proposed site/land needs to be cleared.
