SITE INSPECTION REPORT

A proposal has been received by this office from Shri. Vipul Patel, Dy. Manager (ROU), Gujarat Gas Limited, Gandhinagar, Gujarat (User Agency) for diversion (under FCA-1980) of 0.3009 Ha. (Previously 0.2989 ha) Of Protected forest land for non-forestry purpose. The subject envisages the use of forest land for laying of 160/125/90/63 mm dia MDPE pipeline parallel & across Roadside strip plantation declared as Protected Forest for Kala - Karachgam - Surangi - Saily village and surrounding areas, in the Union Territory of Dadra and Nagar Haveli. The site inspection of the land involved in the proposal has been done by me on dated 23/02/2023 along with the representatives of the User Agency and the Range Forest Officer, Central Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest land measuring 0.3009 ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

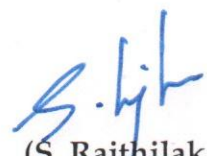

The status of the land is Protected Forest of Dadra and Nagar Haveli. The proposal passes through the Protected Forest all along the roadside. During the inspection, there was no endangered/endemic flora and fauna found in the forest proposed for diversion. There are no trees to be felled in the proposed road.

Also, the user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Hence, this proposal for diversion of 0.3009 ha of Protected Forest land for laying of 160/125/90/63 mm dia MDPE pipeline parallel & across Roadside strip plantation declared as Protected Forest for Kala - Karachgam - Surangi - Saily village and surrounding areas in the Union Territory of Dadra and Nagar Haveli is hereby Recommended.
