On 01-12-2018 inspected the proposed forest land for formation & BT to the road including construction of culverts from R & B Road to Gollaguppa village which is passing through Compt. No.138, Gollaguppa Extn-I R.F., & Compt.Nos. 9 & 10, Bandirevu Reserved Forests of Nellipaka Range. The concerned Panchayath Raj staff and Forest Range Officer, Nellipaka along with his staff accompanied in the field inspection. The details of proposed Road length and width passing through the various Reserved Forest Blocks are mentioned below.

Sl. No.	R.F.	Compt.No.	Length (in Mtrs)	Width (in Mtrs)	Area in Ha.
1	Gollaguppa Extn-I R.F.	138	4900	6.00	2.84
2	Bandirevu R.F.	9 &10			

The proposed Road was earlier existed as Cart track long back for passing small vehicles for their day to day movements. The density of the vegetation is 0.10 along the width of the road. The details of existing flora in the proposed area for diversion and the adjacent area are Choloroxylon swietinia, Albizzia odorotissima, Anogeissus latifolia, Diaspyros melanoxylon, Lannea grandis

This project is very useful for many remote villages. This project is very essential for all departments to extend the Government activities to all the tribals to bring them in the main stream.

Further, the required R.F. area over 2.84 Ha. for this road is not falling in wildlife sanctuary/ National Park/ Eco Sensitive Zone. There are no endangered and unique Flora & Fauna found in the proposed area and there are no archeological sites of importance and no historical monuments in the proposed area. In the inspected area the User agency did not carry out any work in violation of the provisions of FC Act and other relevant acts. The required forest area is unavoidable for the project and due to this project there is no threat to the local flora, fauna.
