

Recommendation on the proposals under section 2 of the Forest (Conservation) Act 1980 for the project of laying 110 KV DC line through Thadagam and Bolampatty Block III Reserved Forests in Coimbatore Division, Coimbatore Circle.

There is no suitable alternative Forest Land is available for this project. The project will benefit the people living in and around Pannimadai, Somayampalayam villages and also Bharathiyar University, near Vadavalli by providing uninterrupted power supply. Hence based on the request and justification report furnished by the User Agency and on the remarks of the District Forest Officer, Coimbatore Division, the proposal is recommended.
