## SITE INSPECTION REPORT

This is to certify that, I have inspected the Project site on 01.07.2021 in Harohalli Wildlife Range, Bantnal State Forest, Village Sy No.67 Yalachavadi Village, (Maralavadi Hobli), Kanakapura Taluk, Ramanagara District. in Bannerghatta National Park for the proposed 765 KV Transmission line. On field verification, the extent of land for utilization was found to be 0.30 ha. The proposal for diversion has been recommended for approval as the requirement of Forest land is for 765 KV Transmission line linear project which is helpful for large number of people. The Project does not involve removal of trees and other vegetation.
