

## SITE INSPECTION REPORT

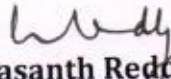

This is certify that I have inspected the 0.80 ha of forest land in F.s.No.108 of Kodibag village, Karwar Taluk, Uttara Kannada District in favour of Central Marine Fisheries Research Institute, Cochin for construction of office-cum Laboratory building on 16-05-2022 along with the Deputy Conservator of Forests Karwar and found that the 0.80 hectare area has been utilized for the purpose for which it was granted. The purpose for which it was granted i.e. construction of office -cum Laboratory building for marine fisheries development activities.

The proposed area is connected to the NH-66. The lease land is used for office cum laboratory building for research centre of Central Marine Fisheries Research Institute. The User Agency has complied earlier lease conditions.

The proposed area for renewal does not affect any declared or notified monuments of historical, religious, archeological or recreation importance including wild life sanctuary or national park.

The requirement of forest land as proposed by user agency is barest minimum and there no alternate land available for above purpose. All the alternatives have been examined the proposal is renewal of lease period and all the infrastructure have been built on the said land so an extent of 0.80 hectare may be renewal on lease to the user agency.
