

Site Inspection Report

The proposed site has been inspected along with the Range staff and Assistant Executive engineer on 16-11-2019. The 132 KV LILLO on One line 132 KV Sabour to Sultanganj transmission line crosses SH 19 Bhagalpur – Hansdiha road at Jagdishpur. The road side plantation has been notified as Protected forest. The trees can be translocated in the adjacent BSPTCL campus or in the same road side itself. The disturbance/ destruction to the trees can be kept minimum. The project may be recommended with these conditions.

S. SUDHAKAR
Divisional Forest Officer
