

### PART- III

(To be filled by the concerned Conservator of Forests)

14. Whether site, where the Forest land involved is located has been inspected by concerned conservator of Forests (Yes/No). If yes, the date of inspection & observations made in form of inspection note to be enclosed.
- **Yes, on the 02<sup>nd</sup> May, 2022. (Inspection note enclosed).** On inspection it was observed that there are no trees to be felled.
15. Whether the concerned Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forests.
- **Yes.**
16. Specification recommendations of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.
- As the project is of great public importance for providing portable drinking water to localities of Lawsotun which include Block-I, Block-II & Block-III. Therefore, laying of pipeline needs to be align from the spring source to the destination tank. Hence the proposal is recommended for acceptance.
