

SPECIFIC RECOMMENDATION of the concerned Conservator of Forests
(Part III slno. 16 of FORM A)

While agreeing with the observation and recommendation made by the DFO: Chandel Forest Division in the forest diversion proposal of 55.5904 ha of forest land for widening/improvement of existing road Chakpikarong-Sajik-Aigejang-Khongtal (from 19.5 KM to 41.657 KM) (Phase-II) to NHSL specifications in the State of Manipur by 84 RCC/25 BRTF (GREF), recommendation is made as follow:

Being a public utility project to ensure and uplift the socio-economic conditions of the tribal people in the border areas of the State, with better means to have access to better health care, education and communication facilities for all round development. Further, the proposed road would also facilitate and provide better national security, protection and governance.
