

**Recommendation of Chief Conservator of Forests, Central Circle, Thrissur.**

Sub: - NH 47 the project of widening of National Highway Vadakkumchery to Mannuthi, diversion of forest land under Thrissur Forest Division – reg.

The site was inspected by me on 01.10.2019 along with Range Forest Officer, Pattikkad Range, Sri. Mathew. T.S and his staff. The proposal is to facilitate the side protection of the approach road to the tunnel and for the service road at Pambatty. The said diversion will not in any manner, seriously hamper the ecology of the region. A total of 110 trees will need to be removed for the proposed project. Considering the present alignment of the Highway, the proposed diversion of forest land is inevitable for the project. The proposal is therefore recommended.
