

RECOMMENDATION OF THE PROPOSAL NAMELY
DUDHNATH HILL STONE QUARRY UNDER DHUBRI DIVISION

The forest land in the name & style **DUDHNATH HILL STONE QUARRY** [5.0 Ha.] is proposed for operation of quarry shall enable to meet the huge demand of stone materials required for the developmental works to be carried out by the Govt./ Semi Govt. and also includes the private requirement within the district and its neighbouring districts and also earn substantial amount by way of revenue of the state exchequer. The project will also generate greater employment opportunities and thereby giving a boost to the economically backward unskilled labours. All alternative options were examined and nothing found suitable. Considering the fact stated above, it is recommended for acceptance of this proposal.
