The site inspection of the land involved in the proposal has been done by me on dated 21/09/2019 along with the representatives of the User Agency and the Range Forest Officer, Northern Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest land measuring 0.3230 ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.
