

RECOMMENDATION

Construction of 33/11 KV Sub-Station with associated 33 KV line at Chingkheiching under World Bank funding is for constant supply of electricity to the villagers in and around Chingkheiching village. The proposed area is unavoidable and barest minimum. The proposal for diversion of 0.27 Ha forest land at Chingkheiching RF is recommended subject to the following conditions:

- a) The User Agency shall physically demarcate the diverted forest area by constructing RQC boundary pillars.
- b) Unauthorised establishment of labour camps/huts shall not be allowed inside the adjoining forests.
