SITE INSPECTION REPORT OF NRDJ CF, EAC, JORHAT

The proposed development of NRDJ – A Project of ONGC in Forest land located inside Nambor South Reserve Forest under Naojan Range was inspected by the undersigned with ONGC Officers, Chinnamora, Jorhat on **30-08-2019** and report thereof is furnished as under:

The proposed development area is within the 1.99 ha (**NRDI**) is a open Forest inside Nambor South Reserve Forest. During my inspection no rare/endangered/unique species of flora and fauna was found in the area. The proposed development proposal is non linear project. To drill 1 no of new well-NRDJ from existing location **NRDI** no extra land is required. Forest Clearance for existing well **NRDI** is already available and the land is still in use by ONGC. Total period for which the forest land id proposed to be diverted (in years) 15 years.

There are no wildlife present in and around the forest land proposed for diversion. The proposed site is not a part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor, Wildlife Migration Corridor etc. The proposed development site is not located at within Eco-Sensitive Zone of the Protected Area notified under Wildlife (Protection) Act. 1972 and no any water body is seen in and around the proposed site.
