**SITE INSPECTION REPORT OF PROJECTS KSDA & KSDD OF ONGC CL  
EAC, JORHAT**

The proposed development of **KSDA & KSDD** new projects of ONGC are located inside Doyang Reserve Forest under Jamuguri Range was inspected by the undersigned and ONGC Officers, Chinnamora, Jorhat on **30-08-2019** and report thereof furnished as under:

The diversion area is 2.55 ha (**KSAC**) was made available in 2012, in an open flat area inside Doyang Reserve Forest. During my inspection no rare/endangered/unique species of flora and fauna was found in the area. The proposed development proposal is non linear projects aims to development and drill of 2 (two) nos. of new well- **KSDA** and **KSDD** within existing site of **KSAC**. No extra land is required to develop and drill new wells. FC for existing well **KSAC** is available and the land is still in use by ONGC. Total period for which the forest land was diverted (in years) 15 years.

There is no Wildlife present in and around the forest land proposed for diversion. The proposed site is not a part of National Park, Wildlife Sanctuary, Biosphere, Tiger Reserve, Elephant Corridor, Wildlife Migration Corridor etc. The proposed diversion site is not located at within Eco-Sensitive Zone of the Protected Area notified under Wildlife (Protection) Act. 1972 and no any water body is seen in and around the proposed site.
