

**Site inspection report of the District Forest Officer, Vikarabad for the proposed laying of Optical Fibre cable through the existing right of way in the Gotlapally Antharam, Thatteply and Atkur RF blocks of Vikarabad District.**

On 25.06.2018 proceeded to Gotlapally Antharam block compartment no. 40, Atkur RF block compartment no. 20 and Thatteply RF block compartment no.21 of Thatteply beat and Thatteply Section and observed that the proposed laying of optical fibre cable is all along the existing road passing through Gotlapally Antharama block, Atkur block and leaving the Thatteply block. As the proposed laying of cable is passing through the existing right of way in the RF blocks no damage is being caused to the forest and there are no rare and endangered forest flora and fauna in the proposed area. There are no protected archaeological / heritage site/ defence establishment in the area proposed for laying of cable.
