

PART-III

(To be filled by the concerned Conservator of Forest)

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If Yes, the date of inspection & observation made in form of inspection note be enclosed.	The proposed project pertains to Reliance Jio info com Ltd. Optical fiber cable laying work along SH-70 Fatehpur-Rajuli road. The site was inspected on 27.12.2018 with R.O.F. Rajauli. Fatehpur-Rajauli road SH-70 is notified as protected forest vide Environment & Forest department's notification no. 189(E) dated 16.02.1994. The project requires 0.178374 ha of forest land, which is unavoidable & bare minimum for the project. There is no tree to be felled for implementation of the project.
15. Whether the concerned Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.	I agree with the informations furnished and recommendations made by the Deputy Conservator of Forests, Nawada in part-II.
16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	The user agency has not violated the prescribed provisions of the Forest Conservation Act as well as Indian Forest Act, The instant proposal for diversion of 0.178374 ha. of forest land is recommended with necessary conditions & directions.

PART-III

(To be filled by the concerned Conservator of Forest)

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If Yes, the date of inspection & observation made in form of inspection note be enclosed.	The proposed project of Reliance Jio was inspected on 21.06.2018 with R.O.F Gaya. It pertains to laying of underground OFC cable for 4G connectivity. Earlier the project required diversion of 0.5754 ha. Land along Gaya-Fatehpur SH-70 road, in Gaya forest division, The road is notified as protected forest vide Environment & Forest Department's notification no. 400, dated 16.02.1994. At the time of inspection, it was found that the proposal for diversion of forest land by the user agency is not inaccordance with the actual land requirement. Hence the user agency was directed to revise the proposal. The user agency has submitted the revised land requirement as 0.314826 ha in Gaya forest division. The requirement of forest land as proposed by the user agency is unavoidable & barest minimum of the project. There is no felling of any tree species in the proposed area for the diversion.
15. Whether the concerned Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.	The then Deputy Conservator of Forests, Gaya has retired on 28.02.2019, Hence the recommendations made by the then Deputy Conservator of Forests, Gaya, may be treated as corrected for 0.314826 ha of forest land requirement. I agree with the recommendations furnished by present Deputy Conservator of Forests, Gaya .
16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	The user agency has not violated the prescribed provisions of the Forest Conservation Act as well as Indian Forest Act, The instant proposal is recommended for approval of diversion of forest land with necessary conditions & directions.
