7.	If area required for diversion has been demarcated on the ground	Yes																		
8.	Item wise breakup of the forest land proposed	<table border="1"> <thead> <tr> <th colspan="3">Component wise breakup</th> </tr> <tr> <th>Sl. No.</th> <th>Component</th> <th>Forest Land (ha.)</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Construction of Building</td> <td>0.945</td> </tr> <tr> <td>2</td> <td>Road</td> <td>1.172</td> </tr> <tr> <td>3</td> <td>Plantation</td> <td>1.915</td> </tr> <tr> <td></td> <td><b>Total</b></td> <td><b>4.032</b></td> </tr> </tbody> </table>	Component wise breakup			Sl. No.	Component	Forest Land (ha.)	1	Construction of Building	0.945	2	Road	1.172	3	Plantation	1.915		<b>Total</b>	<b>4.032</b>
Component wise breakup																				
Sl. No.	Component	Forest Land (ha.)																		
1	Construction of Building	0.945																		
2	Road	1.172																		
3	Plantation	1.915																		
	<b>Total</b>	<b>4.032</b>																		
9.	Condition of vegetation and type of forest in applied area	At present there is no natural vegetation. The forest kismam of land has been utilized for establishment of the Institution. Plantation has been raised along the internal roadside. The adjoining exiting natural forest vegetation at Sikharchandi in Patharagadia Mouza is scrub forest having scattered few deciduous trees of natural regeneration. Revenue Forest land (Kissam- Jungle)																		

10.	Position of wildlife in General	The land is outside Chandaka-Damapara Wildlife Sanctuary and its Eco-sensitive Zone. The proposed project site is a developed area. Presence of wildlife not seen.
11.	Whether the applied area is involved with any Eco-Sensitive Zone / National park / Sanctuary	No
12.	Number of trees to be felled and its impact on the Eco-system	The user agency has planted seedlings at the project site. As per enumeration; 292 trees and 281 saplings are existing over forest land but no tree/sapling is required to be cut/removed. The Secretary, KISS, Bhubaneswar has furnished an undertaking in this regard enclosed herewith as " <b>Annexure - I</b> ". Hence there will be no adverse impact on Eco-system.
13.	Details of broken up area and reclamation done if any (Mining cases)	Not applicable.
14.	Position of displacement of people & adequacy of rehabilitation if any	Not applicable.
15	Position of rare & endangered species available and importance of area from Eco-social point of view	The proposed site is not coming within Chandaka-Damapara Wildlife Sanctuary & its Eco-sensitive Zone.
16	Non-forest land used in the project and non- forest land selected for Compensatory Afforestation is included in the D.L.C report or not.	<ul style="list-style-type: none"> <li>i. No non-forest land used in the project.</li> <li>ii. 4.172 ha. land (Kisam - Dangar -3) over Plot No. 381(P), 381/1102 (P) &amp; 542(P) in Mouza - Panchada in Laxmipur Tahasil of Koraput District identified for Compensatory Afforestation is not coming under DLC report.</li> </ul>
17	Suitability of the identified non-forest land/degraded forest land for Compensatory Afforestation.	The non-forest land identified for Compensatory Afforestation is suitable for plantation @ 1600 plants/ ha. The land having adequate soil depth and suitable for plantation from management point of view as per report of Divisional Forest Officer, Koraput Forest Division, Koraput.

18	Violation of Forest (Conservation) Act, 1980 if any and action taken thereon.	<p>The User Agency has constructed building for Academic Block, Vocational Block &amp; Hostel and road over Revenue Forest Kisam of land without prior approval of the Ministry of Environment, Forest and Climate Change, Government of India in contravention of the Forest (Conservation) Act, 1980. Kalinga Institute of Social Science (KISS) is a Charitable Institution imparting education to under privileged children from tribal communities from Standard- I to Post-Graduation with vocational and extracurricular training. Kalinga institute of Social Sciences (KISS) has been granted the University Status by the Ministry of Human Resource Development, Government of India vide their Letter No. No. F.9-14/2011-U.3 (A) dtd. 25.08.2017. The Secretary, KISS has filed this diversion proposal to obtain post-facto clearance from Ministry of Environment, Forest and Climate Change, Government of India.</p> <p>KISS will take up Compensatory Afforestation in Koraput Division in their own non-forest land. In view of the above, this proposal is recommended for according approval as per provision of Section – 2 of the Forest (Conservation) Act, 1980 with imposition of Penal Compensatory Afforestation over 10 Acres (4 ha.) in Jagannath Prasad PRF in Chandaka-Damapara Wildlife Sanctuary in Bhubaneswar Tahasil of Khordha District nearby KISS, Patharagadia, Bhubaneswar.</p>
