

### **Specific Recommendations of District Forest Officer**

The proposal No.FP/TR/TRANS/48171/2020 for diversion of 21.3339ha of forest land for construction of 33kv overhead line from Jawaharnagar Sub-station to Dhumachera Sub-station under DFO, Dhalai.

The damage to the forest during widening of the road and transportation of materials should be minimal and also without affecting the adjacent patches of plantation.

1. The user agency should provide income Generation Activities for livelihood of nearby villagers.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the user agency should bear the expenditure incurred for soil stabilization measures and also to avoid the soil erosion and landslides during construction.
3. Proposed diverted area is very rich in NTFP and medicinal plants therefore user agency should provide 50 lakh rupees for ex situ conservation of NTFP and medicinal plants in Jawaharnagar , Ambassa area.
4. This area is very much vulnerable to illegal felling of valuable timber and encroachments so for strengthening of protection measure user agency should provide one patrolling vehicle for protection of areas.
