Sub: Diversion of 0.96 ha (Belagavi Division 0.419ha) of forest land for Construction of Gochinmalki LIS, Stage-II (Laying of underground pipeline) in Akkatangerhal, Shigholi, Rajankatti & Khanagaon village of Gokak Taluka, Belagavi District.
(Proposal No. FP/KA/IRRIG/47729/2020)

Recommendation Certificate

I have inspected the proposed site along with the Assistant Conservator of Forests, Belagavi Sub Division and staff on 17-02-2022, the proposed forest area diversion for construction of Godachinmalki LIS, Stage-II (Laying of underground pipeline) is in forest Survey No. 181, 182 of Rajanakatti village and survey No. 1209 of Akkatangerhal village Gujanal Range Gokak Taluk.

As the Godachinmalki LIS, Stage-II (Laying of underground pipeline) is very much required for the Rajankatti and Akkatangerhal villagers. The proposed project will serve larger interest of public who are marginal formers. The user agency/Contractor has violated Forest (Conservation) Act – 1980. Hence the concerned beat guard has been booked FIR under Karnataka Forest Act – 1963 Rule 24(g) & (gg).

Hence I recommended the proposal for post – facto approval for the diversion of 0.419 ha. of Forest land in Sy No. 181, 182 of Rajanakatti village and survey No. 1209 of Akkatangerhal village for the purpose of construction of Godachinmalki LIS, Stage-II (Laying of underground pipeline) as per the provisions under Forest (Conservation) Act-1980.
