

SITE INSPECTION REPORT

A proposal has been received by this office from Executive Engineer, District Panchayat, Moti Daman(User Agency) for diversion (under FCA, 1980) of 0.012 ha. Of forest land for non forestry purpose for construction of RCC drainage from Jampore Mangelwad road to Jampore beach in pariyari Group Gram Panchayat in the UT of Daman. The site inspection of the land involved in the proposal has been done by me on 28.08.2018 along with the representatives of the User Agency and Range Forest officer, Daman Range.

On site inspection of the site, it is found that the land required by the user agency is a reserve forest measuring 0.012 ha. The details of the forest area along with the survey number proposed for diversion are as under:-

Patch no.	Survey No.	Area
01	72	0.012ha

The requirement of the forest land as proposed by the user agency in part-I is unavoidable and is the barest minimum required for the project.

The status of the land is Reserved Forest. The said forest area proposed for diversion does not have any endangered/endemic flora and fauna.

Also, the user agency has not violated any of the provisions of the Forest (conservation) Act, 1980 and no work has been taken up in the said forest area.

Hence, this proposal for diversion of 0.012 ha forest land for the purpose of construction of RCC drainage from Jampore Mangelwad road to Jampore beach in Pariyari Group Gram Panchayat in the UT of Daman is **hereby recommended.**

Place : Daman

Date : 29/08/2018
