| Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons. | | <p>The user agency has furnished justification for locating the project in the forest area. More over it is unavoidable & barest minimum for project as per the certificate given by user agency. The project is recommended as there is not much loss to flora & fauna also OFC is being laid along the road with no disturbance to environment and involves no tree felling. It is very important for the 4G communication in agency areas.</p> <p>Is recommended for diversion for the above purpose.</p> |
