

Recommendation of the Divisional Forest Officer Jalpaiguri Division on Part A

The diversion of land proposed is for ROB Lataguri under Proposal number FP/WB/ROAD/26127/2017 for construction of twins two lane ROB from 651.690km to 653.560 km on the existing alignment of NH 31 and its approaches in replacement of level crossing at km 652.600 on NH 31 between Neora and Lataguri at Ltg I block of Lataguri Range of Jalpaiguri Division in the State of West Bengal. It is unavoidable and barest minimum requirement for the project. The land diversion proposed will not hamper any soil conservation.

The case is hereby recommended.
